

Annapolis, May 3, 1784.
THE subscriber having some time ago received an appointment from J. Pierce, Esq; paymaster general of the forces of the United States, constituting him his deputy to settle the accounts of pay, &c. of the Maryland line of continental troops, which business he has hitherto been prevented from entering upon, for want of the necessary rolls and papers respecting the line; he, therefore, in compliance with his instructions, requests the officers of the Maryland line, and other officers of the quota of that state, will, without delay, furnish him with every necessary roll and information which in any way concerns a final settlement of their own claims upon the United States, and the pay and other accounts of the soldiers which they have from time to time commanded, since the 1st day of Aug. 1780.

He further informs the officers, that the documents he requests must be delivered to him, and be in his possession some time before they can receive their certificates, as Mr. Pierce, who is to sign them, being of the United States, will not attend at Annapolis to put the finishing hand to them, until they are all nearly ready.
