Resolved, That the same subject be again presented to the attention of the said states; that they be urged to consider, that the war being now brought to a happy termination by the personal services of our soldiers, the supplies of property by our citizens, and loans of money from them as well as from foreigners; these several creditors have a right to expect, that funds shall be provided, on which they may rely for indemnification; that congress still consider vacant territory as an important resource; and that therefore the said states be earnestly pressed to immediate and liberal cessions, to forward these necessary ends, and to promote the harmony of the union.

TEN POUNDS REWARD,  
For bringing my SADDLE-HORSE to me at Upper-Marlborough.  
HE was taken away at Whitfuntide, by some person who I fear never means to return him. He is a dark bay, neither docked nor branded, thirteen hands three inches high, well formed, no white spot or mark of any sort on him; has a very fine long tail, and is remarkably spirited when under the saddle. There were several strolling men who passed through here about that time, some enquiring the road to Alexandria, others to Annapolis; I fear some of them have taken him. Any person bringing him to me at this place, or delivering him to Mr. Samuel Hutcheson at my plantation, shall have the above reward.  
W. SPRIGG BOWIE.

TAKEN up as a stray, by William Yealdhall, living at the Land of Ease, a bright bay mare, about 14 hands high, about five years old, no perceivable brand, hanging mane and switch tail, paces naturally. The owner may have her again on proving property and paying charges.
