Choptank bridge, on Choptank river, state of Ma-
 ryland, April 28, 1784.

SIXTEEN hundred acres of LAND, in the
 Delaware state, Kent county, for sale, either in
 the whole or part, as may best suit the purchasers.
 It is about 14 miles from a landing on Delaware bay,
 and 8 miles from said bridge, where shallops can
 come to. This river empties into Chesapeake bay,
 and renders the lands of value, having an advantage
 both of Philadelphia and Baltimore markets. On
 the whole is a clearing of eight hundred acres, di-
 vided into three farms at present, but may be subdivi-
 ded easily, as it is all in one clearing entire. It
 has the advantage of two branches, filled with ex-
 ceeding fine ash and maple timber, one of which
 branches has a ditch through it, and a clearing of
 one hundred acres fit for the siths, and side ditched;
 also thirty acres more side ditched and partly cleared,
 and fifty acres more in woods and not side ditched;
 on the other branches are upwards of eighty acres,
 below which and above ditches are cut, which will
 render the draining easy.

On the three farms, as they are now laid off, are
 a dwelling house nearly finished, 26 by 26 feet, two
 stories high, covered and boarded with cedar, two
 rooms and flush passage at the end below, three rooms
 and entry above, cellar in two apartments under-
 neath; a kitchen and pantry adjoining, 26 feet by
 16, several out-houses, and a barn, floored flush, 30
 by 30 feet. To this farm, which is now rented for
 500 bushels of wheat per annum, 520 acres are al-
 lotted.

Two logged dwelling-houses, 18 by 20 feet each,
 and other out-houses. To this farm, which is now
 rented for 200 bushels of wheat per annum, are 580
 acres, with 30 acres of ditched and partly cleared
 meadow, and eight acres of meadow fit for the siths.

A dwelling-house, with a flush cellar, 20 by 20
 feet, kitchen adjoining, in good repair; a large barn
 or tobacco-house 60 by 50 feet, with two 60 feet
 sheds 12 feet wide; a house, formerly used as a ne-
 gro quarter, 30 by 24 feet, hipped roof, and other
 out-houses. The quantity of land to this is 500
 acres, 100 of which is cleared meadow and drained,
 and the remainder of the above described ditched
 branch. It now rents for 73 pounds for three years,
 at the end of which, for three years more, for 100
 pounds per annum. Made meadow, and is well ad-
 apted for tobacco.

The other farms have a large proportion of mea-
 dow land each, and may be advanced largely in the
 rents, and will be parceling off to a smaller quantity
 in each farm. There are on the whole six ~~ing~~
 apple tree orchards, of about 900 trees in the whole.
 The upland is fertile, for raising either flax, corn,
 wheat, oats, and, if properly manured, tobacco.
 For one third cash down, and remaining two thirds
 reasonable credit. Further terms will be made
 known by applying at Choptank bridge, and the
 lands will be shewn by Messieurs Alford and Cooper,
 or Mr. Hugh M. Phipson, tenants on the premises.

JUST IMPORTED,
 By JOSEPH DOWSON, in the brig Lucy,
 Captain WILLIAM DENNIS, from London,
 A LARGE and very general assortment of dry
 goods, suitable for the present and approach-
 ing seasons, which he will sell, on very reasonable
 terms, for cash, bills of exchange, or tobacco.

June 16, 1784.

RAN away from the subscriber's plantation, near
 Frederick-town, on the 9th instant, a mulatto
 man SLAVE, named PHILIP TODD, about
 twenty-two years of age, five feet eight or nine
 inches high, slim made, and short hair; his cloaths
 are uncertain, having taken several suits with him.
 He rode away on a bright bay mare, about thirteen
 hands and a half high, long black switch tail, trots
 and gallops, very spirited, and has no perceivable
 brand. As he has been a waiter to John Ridout,
 Esq; for several years past, and is well acquainted
 in Annapolis and Baltimore, it is not improbable
 but he may make for one of those places, and will
 endeavour to pass for a free man, and perhaps may
 have a forged pass. Whoever will secure the said
 slave, so that I may get him again, shall receive
 eight dollars reward, and two dollars for the mare,
 and all reasonable charges, if brought to Mr. Tho-
 mas Basford near Frederick-town, or to the sub-
 scriber in Prince-George's county.

TEN POUNDS REWARD,
 For bringing my SADDLE-HORSE to me at
 Upper-Marlborough.

HE was taken away at Whitesfide, by some
 person who I fear never means to return him.
 He is a dark bay, neither docked nor branded, thir-
 teen hands three inches high, well formed, no white
 spot or mark of any sort on him; has a very fine
 long tail, and is remarkably spirited when under the
 saddle. There were several trolling men who passed
 through here about that time, some enquiring the
 road to Alexandria, others to Annapolis; I fear
 some of them have taken him. Any person bringing
 him to me at this place, or delivering him to Mr.
 Samuel Hutcheson at my plantation, shall have the
 above reward.
