RAN away from the subscriber, living in Charles county, near Newport, on the 9th of April last, a negro man named PETER, about 5 feet 6 or 7 inches high, 20 or 21 years of age; had on and took with him his winter apparel of country cloth, the warp cotton and filled in with yarn, which was much worn, but it is supposed he hath changed his cloaths; he is a sensible fellow, and probably will endeavour to pass as a free man; he is a strait well looking fellow, with large ears, and of a yellow complexion. Whoever takes him up and secures him so that I may get him again, shall receive, if in the county four dollars, if out of the county six dollars, and if out of the state ten dollars; and any person giving information of any one who harbours him, on proof shall be handsomely rewarded.

MANY fraudulent attempts having been made upon the public in order to obtain depreciation of pay, by men who had been soldiers in the continental army, but had forfeited their claim to it, either by desertion, or after their discharge had joined the British army and navy: To prevent such imposition, the auditor of the state of Maryland gives notice, that no certificates will be issued by him to, or on account of, any person whatever, without the original discharge is produced, or a certificate by an officer of the regiment and company to which such soldier belonged at the time of his discharge, specifying the times of enlistment and discharge, and a certificate from some person of good character, who is well known in Annapolis, shewing his good behaviour since his discharge. And as forged orders have frequently been presented, the auditor further gives notice, that he will not hereafter issue certificates to any other than the persons themselves on whose account they are issued.
