West river, July 12, 1784.

TO BE RENTED, and entered on immediately, **A VALUABLE PLANTATION** in the neighbourhood of West river, and eight miles from Annapolis, containing 300 acres of land, a sufficient part of which is cleared, and in good order for either planting or farming, and a large proportion of meadow land, a part whereof is in timothy, and produces from 15 to 18 ton of hay yearly; this place bounds on navigable water, and has a large extent of salt marsh, has many fresh water streams, and a never failing spring of good water near the buildings; a variety of fruit-trees, with two good apple orchards, which will yield 2500 gallons of cider yearly. The improvements are, a brick dwelling-house, with two good rooms and a passage or entry on the lower floor, three rooms above stairs, and cellars under the whole house conveniently divided; a large kitchen, with a very convenient oven in the inside; a meat-house, poultry-houses, stables, and a 40 foot tobacco house. This place will be let from year to year, or for a term of years.

Also one other plantation adjoining the former, and containing upwards of 300 acres of land, adapted to either planting or farming, a sufficiency of cleared land for either purpose, a great abundance of meadow ground, a part of which is reclaimed for the scone, and produces from 20 to 25 ton of hay yearly, a great part of which is timothy; a large peach orchard, and an apple orchard that will yield from 4 to 5000 gallons of good cider yearly, with a variety of other fruit-trees. The improvements are, a large two story brick dwelling house with four rooms on a floor and a fire-place in each, a large and airy garret, and good and convenient cellars under the whole house, divided as the first floor; a large and convenient kitchen adjoining the dwelling-house by a 16 foot passage or entry; the other buildings are, negro quarters, smoke-house, milk-house, stables, poultry-houses, a 50 foot tobacco-house, and a very good and convenient store-house; there is a spring of good water near the dwelling-house, several streams of fresh water run through the land, and a large range for stock. This place, as well as the former, is very convenient to fish, oysters, wild-fowl, &c. in the season; but both the places will appear to much greater advantage by being viewed, therefore the subscriber thinks any further description as to situation, &c. unnecessary.

The first mentioned place he would wish to rent as early this fall as he could, to give the person who takes it an opportunity of putting in winter grain; the last he would not give possession of till the first of December, there will be winter grain put in the ground, and a large quantity of hay, fodder, and straw, secured, which will be disposed of on reasonable terms to the person who takes the place; who may also have the stock of cattle, horses, hogs, and sheep, with the plantation utensils now belonging thereto; a few negroes may likewise be hired from year to year. This place could not be engaged for more than one year certain, but probably will be let for several years on those terms. For further particulars and the terms apply to the subscriber on the premises.

RICHARD HIGGINS.

Auditor's-office, Annapolis, April 7, 1784.

MANY fraudulent attempts having been made upon the public in order to obtain depreciation of pay, by men who had been soldiers in the continental army, but had forfeited their claim to it, either by desertion, or after their discharge had joined the British army and navy: To prevent such imposition, the auditor of the state of Maryland gives notice, that no certificates will be issued by him to, or on account of, any person whatever, without the original discharge is produced, or a certificate by an officer of the regiment and company to which such soldier belonged at the time of his discharge, specifying the times of enlistment and discharge, and a certificate from some person of good character, who is well known in Annapolis, shewing his good behaviour since his discharge. And as forged orders have frequently been presented, the auditor further gives notice, that he will not hereafter issue certificates to any other than the persons themselves on whose account they are issued.
