Auditor's-office, Annapolis, April 7, 1784.

ANY fraudulent attempts having been made upon the public in order to obtain depreciation of pay, by men who had been soldiers in the continental army, but had forfeited their claim to it, either by desertion, or after their discharge had joined the British army and navy: To prevent such imposition, the auditor of the state of Maryland gives notice, that no certificates will be issued by him to, or on account of, any person whatever, without the original discharge is produced, or a certificate by an officer of the regiment and company to which such soldier belonged at the time of his discharge, specifying the times of enlistment and discharge, and a certificate from some person of good character, who is well known in Annapolis, showing his good behaviour since his discharge. And as forged orders have frequently been presented, the auditor further gives notice, that he will not hereafter issue certificates to any other than the persons themselves on whose account they are issued.

AMOS GARRETT.

To be SOLD, for want of employ, A HEALTHY, young, NEGRO wench, who has been used to household and kitchen work from a child, and has had the small-pox. Enquire of the printers.

Baltimore, October 12, 1784.

FOR SALE,

SIX thousand acres of very valuable lands, lying on the waters of Chillisquaque, in the Fork of Susquehanna, about ten miles from the town of Sunbury, which are divided into twenty-one plantations. The situation of these lands is highly advantageous, being in the midst of the Great Valley, between the two branches of the river, with the great road running across them, and only about three to five miles distance from them to either branch: also, a plantation of two hundred and seventy-six acres on Brightfield's-creek, which empties into Juniata, a few miles above the mouth of that river.

The large settlements now forming on the waters of the Susquehanna, will shortly secure those in the Fork from all danger, in case of future wars with the Indians: and the ease with which all kinds of produce may be carried to market, is a consideration of first importance to the farmer. It is well known, that even in the present state of the river, timber and lumber of all kinds may be rafted down to Chesapeake; and the improvements now carrying on, bid fair to open a regular navigation from all parts of the river to the bay, in a short time. A liberal credit will be given for a considerable part of the purchase.

SAMUEL PURVIANCE.

THE subscribers have for sale, thirty-one thousand acres of patented lands, of prime quality, which lie on Hughes's creek, a principal branch of the Little-Kanhaway, which empties into that river, about thirty miles from its mouth, and up to which there is very good boating—These lands were of the earliest locations in that quarter, and selected by a person interested therein: they are laid out to the greatest advantage, being strung along both sides of the creek for ten or twelve miles, commanding the whole front thereof, and an extensive range behind them on both sides: they consist chiefly of river bottoms, and contain a large proportion of meadow grounds—their situation extending up towards Tiger-Valley, is about the same distance from Baltimore as Fort Pitt, consequently convenient for driving all manner of stock to a capital market and not farther distant than hemp is frequently brought from the back parts of Virginia.

The absolute certainty of titles, and prime quality of these lands, obviate the two greatest hazards of deception that purchasers generally run, and must considerably enhance their value.

Two other tracts of patented lands, on the waters of Rackoon-creek, Washington county, in Pennsylvania, about eighteen miles from Pittsburg, containing three thousand one hundred and seventeen acres of the first quality, with several improvements thereon. These two tracts which formerly belonged to Robert and Thomas Kutherford, Esquires, are well known by that description.

Three other tracts, near the Fork of Youghagania, containing about one thousand two hundred and twenty-eight acres of choice lands, with sundry improvements thereon; one of them known as the former dwelling place of Dorsey Pentecost, Esquire. And sundry other tracts of land near Fort Pitt.

A liberal credit will be given for a considerable part of the purchase. For terms apply to John Cox, or Robert Lettis Hooper, Esquires, at Frederick; to Michael Hillegas, Esquire, at Philadelphia, or to the proprietors at Baltimore.

Annapolis, August 14, 1784.

THE subscribers having made many applications to their debtors without the least effect, think proper to give this last notice, that they are determined to commence actions, without respect to persons, to November court, against all those who do not at least settle their balances by giving bond or note before that period.

WALLACE, DAVIDSON, and JOHNSON.

To the gentlemen late officers in the Maryland line of the army.

THE assisant commissioner appointed to liquidate the accounts of the Maryland line of the army, after every attempt to collect the papers necessary to enable him to effect the business, finds the muster-rolls for the year 1781 missing. His not having the pleasure of their personal acquaintance, and being ignorant of their places of residence, compels him to this method of soliciting all officers late commanders of regiments, companies, and others who have the muster rolls (or roll) of the Maryland troops for that year in possession (or have any knowledge where they are or were deposited) that they would be kind enough to transmit them to him at the city of Annapolis by the earliest opportunity, or be pleased to communicate such information on the subject as may appear necessary.
