THE executors of the rev. Mr. Isaac Campbell, late of Charles county, deceased, beg leave to inform the public, and those gentlemen in particular, who before his decease, became subscribers for the publication of the first volume of his work, entitled, "An Enquiry into the Origin, Foundation, Nature, and End of Civil Government," that it is their intention to comply fully with the proposals made with respect to the publication thereof, by the said rev. Isaac Campbell before his decease.

The aforesaid work having engrossed the attention of the rev. Mr. Campbell from the time of the commencement of the late war till his decease, (the principles whereof first suggested to him the subject of his enquiry); his extensive usefulness and success both in his public teaching as a clergyman and as the head of a justly celebrated school for many years; together with the well known philanthropy and patriotism of his sentiments, and the anxiety he ever expressed for the publication of the present work, which he seemed to consider as a legacy he was in duty bound as a christian, and lover of mankind, to give the world; afford a presage of the general usefulness and interesting nature of the work in question. The first volume will be immediately put into the press agreeable to the terms of the advertisement published by the rev. Mr. Campbell himself.

N. B. Subscriptions are still open in the hands of sundry gentlemen for those who may chuse to encourage the publication, there not being as yet a sufficient subscription to exonerate the executors from the expence of publication. All gentlemen who have subscriptions in their hands are requested to return them by the first of January, either to Dr. William Brown, at Alexandria, Dr. Gutlavus R. Brown, at Port-Tobacco, in Charles county, or to William Campbell, at the city of Annapolis. ^{w 6}

To the gentlemen late officers in the Maryland line of the army.

THE assistant commissary appointed to liquidate the accounts of the Maryland line of the army, after every attempt to collect the papers necessary to enable him to effect the business, finds the muster-rolls for the year 1781 missing. His not having the pleasure of their personal acquaintance, and being ignorant of their places of residence, compels him to this method of soliciting all officers late commanders of regiments, companies, and others who have the muster rolls (or roll) of the Maryland troops for that year in possession (or have any knowledge where they are or were deposited) that they would be kind enough to transmit them to him at the city of Annapolis by the earliest opportunity, or be pleased to communicate such information on the subject as may appear necessary. ^{w 6}

THOMAS RUTLAND.

Baltimore, October 12, 1784.

FOR SALE,

SIX thousand acres of very valuable lands, lying on the waters of Chillisquesque, in the Fork of Susquehanna, about ten miles from the town of Sunbury, which are divided into twenty-one plantations. The situation of these lands is highly advantageous, being in the midst of the Great Valley, between the two branches of the river, with the great road running across them, and only about three to five miles distance from them to either branch: also, a plantation of two hundred and seventy-six acres on Brightfield's-creek, which empties into Juniata, a few miles above the mouth of that river.

The large settlements now forming on the waters of the Susquehanna, will shortly secure those in the Fork from all danger, in case of future wars with the Indians: and the ease with which all kinds of produce may be carried to market, is a consideration of first importance to the farmer. It is well known, that even in the present state of the river, timber and lumber of all kinds may be rafted down to Chesapeake; and the improvements now carrying on, bid fair to open a regular navigation from all parts of the river to the bay, in a short time. A liberal credit will be given for a considerable part of the purchase.

SAMUEL PURVIANCE.

THE subscribers have for sale, thirty-one thousand acres of patented lands, of prime quality, which lie on Hughes's creek, a principal branch of the Little-Kanhaway, which empties into that river, about thirty miles from its mouth, and up to which there is very good boating.—These lands were of the earliest locations in that quarter, and selected by a person interested therein: they are laid out to the greatest advantage, being strung along both sides of the creek for ten or twelve miles, commanding the whole front thereof: and an extensive range behind them on both sides: they consist chiefly of river bottoms, and contain a large proportion of meadow grounds—their situation extending up towards Tiger-Valley, is about the same distance from Baltimore as Fort Pitt, consequently convenient for driving all manner of stock to a capital market, and not farther distant than hemp is frequently brought from the back parts of Virginia.

The absolute certainty of titles, and prime quality of these lands, obviate the two greatest hazards of deception that purchasers generally run, and must considerably enhance their value.

Two other tracts of patented lands, on the waters of Rackoon-creek, Washington county, in Pennsylvania, about eighteen miles from Pittsburg, containing three thousand one hundred and seventeen acres of the first quality, with several improvements thereon. These two tracts which formerly belonged to Robert and Thomas Rutherford, Esquires, are well known by that description.

Three other tracts, near the Fork of Youghaganis, containing about one thousand two hundred and twenty-eight acres of choice lands, with sundry improvements thereon; one of them known as the former dwelling place of Dorsey Pentecost, Esquire. And sundry other tracts of land near to Fort Pitt.

A liberal credit will be given for a considerable part of the purchase. For terms apply to John Cox, or Robert Lettis Hooper, Esquires, at Trenton; to Michael Hillegas, Esquire, at Philadelphia, or to the proprietors at Baltimore. ^{w 4}

Tobacco, bills of exchange drawn on London, or specie, will be taken in payment. Credit will be given for part of the money, and a great bargain will be given to the purchaser if he pays in a short time.
