On the 12th of August next, will be sold, at Frederick-town, two lots of Monocacy manor, No. 37 containing 125 acres, and No. 85 containing 90 acres.

Lands for Public Sale.

To be sold by public vendue, at the vendue store in Baltimore-town, and the sale to commence, on the 5th day of September next, at 10 o'clock in the forenoon, and continue until all are sold.

ABOUT 4650 acres of very valuable land, the property of the Bladens company, viz. a tract containing about 2800 acres, adjoining the town, the greater part of it very well wooded, with several good, and lays well for farming — a large tract containing about 900 acres, lays adjoining said town, and on the banks of Patuxent river and Harris's creek, where the navigation is very good, and there may be several good and commodious ship-yards easily made; — a tract of about 1000 acres, containing different kinds of timber and fire-wood, and contains several swamps and valleys, which may be made into valuable meadow, and a considerable quantity of the upland well adapted to farming. — A tract containing about 500 acres, this tract adjoining Phillipsburgh, and extends down to the mouth of the river, which forms the mouth of the harbour, and lays two miles on navigable water; it has been to merely a few acres of this land; but the remainder of it abounds with large timber, chiefly white oak of the first quality for ship-building, and with fire-wood; on this tract there is a very large proportion of valuable meadow land of the first quality for farming. — In short it may be said that it has, over most other lands, every advantage it has, over most other lands, and is the admiration of all who examine it.

Three small tracts, lying round the Old Mount Forge, on both sides of the falls, about a half mile from said town, containing about 100 acres; on this land there are three excellent mills, on one of which stands the old forge, and considerable improvements. — About one half of this tract is very well wooded; but what is cleared is its value, there are a considerable number of quarries of excellent stone for building.

Two hills, containing about 200 acres, lying about six miles from said town, in the neighbourhood of Darby Lux, and will be particularly described at the time of sale.

The whole of these lands will be sold off in lots of various sizes, according to their situations, and as it may be thought will best suit the purchasers. As there are many beautiful situations for gentlemen's country seats, a number of lots will be laid off for that purpose, and the remainder in mill-seats, stone quarries, gardens and farms.

The terms of sale of these lands are the one tenth of the purchase money of the three tracts, laying round the Mount Royal forge, to be paid down the day after the sale; and bonds with approved security, payable in five years from that date on interest, to be paid annually, for the residue; — and for the remaining tracts, one twentieth part of the purchase money to be paid down the next day after the sale, and bond with interest in the same manner as before said, for the residue.

Plans of the whole will be laid out in a short time and the examination of the public — any person desiring to view Phillipsburgh, or Gorfuch, before the said sale, are requested to apply to Mr. Miles, living on the latter; those who may be desirous to view the other lands, are requested to apply to Captain Zachariah Mackubin, surveyor on Howland's Hill, Baltimore. Attendance will be given at the time and place of sale; by
