Office for confiscated estates, Annapolis, July 19, 1785.

To be SOLD, in pursuance of directions from the honourable the intendant of the revenue, on Monday the 22d of August next, at Mr. M'Candless's, in Baltimore-town,

**S**UNDRY valuable lots and tracts of land, situate within a few miles of Baltimore town, which belonged to the Principio company, which were purchased at former sales made by the commissioners by persons who have not complied with the terms of sale. Also, several of the most valuable and best situated lots of Whetstone Point; the said's right to a valuable tract of land called James's Park, with part of Swanson and Simson, containing 610 acres, which belonged to the Nottingham company; and two valuable lots of land lying a few miles above Baltimore town, which belonged to Daniel Dalaty, son of Walter, and which were sold at a former sale made by the commissioners in October 1731. These lots contain about 200 acres each, and are equal, in fertility of soil, to any land in the state. At the same time will be sold, an undivided half of a valuable wharf and warehouse on Fell's Point, which formerly belonged to Ebenezer Mackin, and was sold by the commissioners in April 1731.

On the 12th of August next, will be sold, at Frederick-town, two lots of Monocacy manor, No. 37 containing 128 acres, and No. 85 containing 90 acres.

The whole to be sold on credit till the first day of January 1790, for current money, or any specie estate certificate, the interest to be paid annually.

C. HOLLYDAY,  
G. DUVALL.

Baltimore, July 1, 1785.

**Lands for Public Sale.**

To be sold by public vendue, at the vendue store in Baltimore-town, and the sale to commence, on the 5th day of September next, at 10 o'clock in the forenoon, and continue until a late hour.

**A**BOUT 4500 acres of very valuable land, the property of the Baltimore company, viz. Orange, containing about 2800 acres, adjoining Tidon, the greater part of it very well wooded, the soil tolerably good, and lays well for farming — Phillipsburgh, containing about 900 acres, lays nearly adjoining said town, and on the banks of Patuxent river and marshall's creek, where the navigation is very good, and there may be several good and commodious ship-yards easily made; — this tract bounds with different kinds of timber and fire-wood, and contains several swamps and valleys, which may be easily made into valuable meadow, and a considerable quantity of the upland well adapted to farming. — Gershon, containing about 500 acres, this tract lies adjoining Phillipsburgh, and extends down to the point opposite the fort, which forms the mouth of our harbour, and lays two miles on navigable water; there has been so far a few acres of this land cleared; but the remainder of it abounds with large soft timber, chiefly white oak of the first quality for ship building, and with fire-wood; on this tract there is a very large proportion of valuable meadow and upland of the first quality for farming. — In short the many advantages it has, over most other land, renders it the admiration of all who examine it.

Three small tracts, lying round the Old Mount Royal forge, on both sides of Jones's falls, about one and a half miles from said town, containing about 150 acres; on this land there are three excellent mill-seats, on one of which stands the old forge, with other considerable improvements. — About one half of these tracts is very well wooded; but what adds exceedingly to its value, there are a considerable number of quarries of excellent stone for building.

Bare Hills, containing about 200 acres, laying about six miles from said town, in the neighbourhood of Col. Darby Lux, and will be particularly described at the time of sale.

The whole of these lands will be laid off in lots of various sizes, according to their situations, and as it may be thought will best suit the purchasers. As there are many beautiful situations for gentlemen's country seats, a number of lots will be laid off for such purposes, and the remainder in mill-seats, stone quarries, gardens and farms.

The terms of sale of these lands are the one tenth of the purchase money, of the three tracts, lying round the Mount Royal forge, to be paid down the next day after the sale; and bonds with approved security, payable in five years from that date on interest, to be paid annually, for the residue; — and for the remaining tracts, one twentieth part of the purchase money to be paid down the next day after the sale, and bond with interest in the same manner as aforesaid, for the residue.

Plans of the whole will be made out in a short time for the examination of the public — any person desirous of viewing Phillipsburgh, or Gershon, before the day of sale, are requested to apply to Mr. Miles Love, living on the latter; those who may be desirous to view the other lands, are requested to apply to Captain Zachariah Mackubin, Mayor on Howard's Hill, Baltimore. Attendance will be given at the time and place of sale, by

ABRAHAM VAN BIBBER,  
CLEMENT BROOKE,  
JOHN MERRYMAN.

Intendant's-office, July 19, 1785.

**T**HE intendant of the revenue informs all persons who have bonds in the treasury, that monies and securities have been lodged in it, which, together with one sixth of the unbonded debt as will be sufficient for the redemption of the emissions of June 1780, and that in consequence thereof a draught of bonds has become unnecessary; but he takes the liberty of informing those persons who have hitherto neglected to pay the sixth part of their debt in specie, or of the aforesaid emissions, that the intendant will, without discrimination, bring suits to October court against all defaulters in this respect, and compel payments according to contracts: he also informs all persons who are indebted for interest that do not pay it by the first of September next, agreeably to the act for consolidating the funds, that he will put the bonds of every such person, without distinction, in suit. All collectors of the taxes are likewise informed, that unless they pay into the respective treasuries the monies they are in arrear, that indulgence can no longer be given.
