Office for confiscated estates, Annapolis, July 19, 1785.

To be SOLD, in pursuance of directions from the honourable the Intendant of the Revenue, on Monday the 22d of August next; at Mr. McCandless's, in Baltimore-town,

Sundry valuable lots and tracts of land, situate within a few miles of Baltimore-town, which belonged to the Principio company, which were purchased at former sales made by the commissioners by persons who have not complied with the terms of sale. Also, several of the most valuable and best situated lots of Whetstone Point; the State's right to a valuable tract of land called James's Park, with part of Swanfon and Simson, containing 610 acres, which belonged to the Nottingham company; and two valuable lots of land lying a few miles above Baltimore town, which belonged to Daniel Dalany, son of Walter, and which were sold at a former sale made by the commissioners in October 1781. These lots contain about 200 acres each, and are equal, in fertility of soil, to any land in the State. At the same time will be sold, an undivided half of a valuable wharf and warehouse on Fell's Point, which formerly belonged to Ebenezer Mackie, and was sold by the commissioners in April 1781.

On the 12th of August next, will be sold, at Frederick-town, two lots of Monocacy manor, No. 37 containing 128 acres, and No. 85 containing 90 acres.

The whole to be sold on credit till the first day of January 1790, for current money, or any specie state certificate, the interest to be paid annually

C. HOLLYDAY,
G. DUVALL.

Lands for Public Sale.

To be sold by public vendue, at the vendue store in Baltimore-town, and the sale to commence, on the 5th day of September next, at 10 o'clock in the forenoon, and continue until all are sold.

ABOUT 4650 acres of very valuable land, the property of the Baltimore company, viz. Orange, containing about 2800 acres adjoining the town, the greater part of it very well wooded, the soil tolerably good, and lays well for farming. — Philipburgh, containing about 900 acres, lays nearly adjoining said town, and on the banks of the Susquehanna river and Harris's creek, where the navigation is very good, and there may be several good and commodious ship-yards easily made; — this tract abounds with different kinds of timber and fire-wood, and contains several swamps and valleys, which may be readily made into valuable meadow, and a considerable quantity of the upland well adapted to farming. — Gorsuch, containing about 500 acres, this tract lies adjoining Philipburgh, and extends down to the point opposite the fort, which forms the mouth of the harbour, and lays two miles on navigable water; there has been formerly a few acres of this land cleared; but the remainder of it abounds with large heavy timber, chiefly white oak of the first quality for ship-building, and with fire-wood; on this tract there is a very large proportion of valuable meadow and upland of the first quality for farming. — In short there are many advantages it has, over most other lands, renders it the admiration of all who examine it.

Three small tracts, lying round the Old Mount Quarry, on both sides of Jones's falls, about one and a half miles from said town, containing about 250 acres; on this land there are three excellent mill-seats, on one of which stands the old forge, with other considerable improvements. — About one half of these tracts is very well wooded; but what exceedsingly to its value, there are a considerable number of quarries of excellent stone for building.

Bare-Hills, containing about 200 acres, laying about six miles from said town, in the neighbourhood of Darby Lux, and will be particularly described at the time of sale.

The whole of these lands will be laid off in lots of various sizes, according to their situations, and as it may be thought will best suit the purchasers. As there are many beautiful situations for gentlemen's country seats, a number of lots will be laid off for that purpose, and the remainder in mill-seats, stone quarries, gardens and farms.

The terms of sale of these lands are the one tenth of the purchase money of the three tracts, laying round the Mount Royal forge, to be paid down the next day after the sale; and bonds with approved security, payable in five years from that date on interest, to be paid annually, for the residue; — and for the remaining tracts, one twentieth part of the purchase money to be paid down the next day after the sale, and bond with interest in the same manner as aforesaid, for the residue.

Plats of the whole will be made out in a short time for the examination of the public — any person desirous of viewing Philipburgh, or Gorsuch, before the day of sale, are requested to apply to Mr. Miles, living on the latter; those who may be desirous to view the other lands, are requested to apply to captain Zachariah Mackubin, surveyor on Howard's Hill, Baltimore. Attendance will be given at the time and place of sale, by

ABRAHAM VAN BIBBER,
CLEMENT BROCKF,
JOHN MERRYMAN.
