No evidence that the debts due to their estates are insufficient to satisfy the claims against them.

The property of Mr. Edmifon, which was restored to Mrs. Edmifon, is liable for the debts. This debt was contracted after Mr. Stewart left the state. This debt originated since the revolution. No vouchers to support the claim. The agreement on which this account is founded must be produced. The probate by the executor defective and insufficient. The probate not sufficient. M. Galloway's certificate is defective, the person, in whose possession Mr. Christie's books are, must certify what the claim is. This account will not pass, as the sheriff is chargeable only on supposition there was an escape, and there is no evidence produced of it. Not sufficient evidence of the claim, nor any confiscated property of Samuel Hyde's to pay his debts. Same. The credits must be ascertained. Same. Same. Wants the necessary credits for Dr. Stevenfon's attendance as a physician.
