LAW S OF MARYLAND.
THE subscriber, printer to the state, takes leave to inform all persons who wish to have a copy of the laws of Maryland, from Bacon's abridgement up to the end of the last session of assembly, with the resolutions of the several conventions, the proceedings of the convention that framed the constitution, the declaration of rights and form of government, and the articles of confederation, that, by order of the general assembly, he shall begin that work in a few months, under the direction of Alexander C. Hanson and Samuel Chase, Esquires; and as he intends to strike but a few copies more than what are ordered for the public use, or engaged by individuals, has sent subscription papers to the clerks of the several counties, and a number of other gentlemen in each county, for the purpose of collecting the names of those persons desirous of securing a copy of this useful and necessary work, which will be printed with a new letter, on a good paper, of the same size, and nearly on the same plan, with Bacon's, to be delivered (at a particular place in each county) bound in leather, at three pounces each copy. Having requested a return of the subscriptions by the middle of August, he hopes those who mean to subscribe will do it before that time, or they will lose the opportunity of purchasing so valuable a book.
