SCHEME OF A LOTTERY,

FOR the disposal of fifty lots in la Fayette Vil-
lage, beautifully situated at the Cool Springs
in St. Mary's county, allowed by the best judges to
be as advantageous a situation for a manufacturing
town as any on this continent. Charlotte Hall
school is now building within two hundred steps of
the place. These lots are to be laid off, and the in-
habitants will have the advantage of educating their
children, and gentlemen at a distance will have the
advantage of boarding their children in this village.
The healthfulness of this place, and the virtue of the
waters, are too generally known to need a descrip-
tion. The drawing will be performed under the in-
spection and by the directions of Messieurs Henry
Tubman, William and John Cartwright, and Han-
son Britcoe, managers, who will see the prizes
punctually paid, and the lots conveyed to the for-
tunate adventurers; prizes not called for in six
months will be deemed generously given to Charlotte
Hall school. The drawing will commence at the
Cool Springs on the tenth day of January 1786, or
sooner if full, and the fortunate numbers will be in-
serted in the Annapolis and Alexandria news-pa-
pers.

The scheme is as follows: Fifty lots, to contain
sixty feet front and one hundred feet back each,
subject to a ground-rent of one penny per foot, and
five shillings to be paid on every alienation, with so
much woodland as annexed to each number.
