On the 7th of September last, governor Allured Clark, laid a general embargo on all vessels within the several ports and harbours of the island of Jamaica, to continue for six weeks from the above date; he a pieceding a scarcity of provisions may ensue from the effects of the hurricane which happened at that island on the 27th day of August last.

We hear from Dominica, that on the 25th of September last, in the hurricane of that day, which lasted 16 hours, 10 square rigged vessels were driven out to sea, from port au fort in that island; and that a sloop of war, and a number of small craft, were dashed to pieces.

Accounts from Martinico mention, that on the 27th of the same month, most of the houses in the upper part of St. Pierre, had been blown down, and the lower part washed away by the sea, and every vessel in the harbour either sunk or driven on shore.

Last week a body of troops, consisting of 70 men of the first American regiment, under the command of major Hamtramack, marched through Carlisle, on their way to Fort Pitt, where they are to do duty; and we hear that a large party have gone through York county, for the same place and purpose.

We are informed, that at the circuit court held at Hannah's-town, in Westmoreland county, the Indian, who on the first of May last killed Benjamin Jones and John Smith, was tried and found guilty. The counsel assigned him by court, had much difficulty in making him plead not guilty. There were intelligent interpreters appointed for him.
