

On the thirteenth day of June next, the subscriber intends exposing to public sale, at Upper Marlborough, **BETWEEN 1400 and 1500 acres of valuable land**, in tracts of 212 to 235 acres, certified by the surveyor of the district in which they lay, to be of good quality and producing white and black oak, walnut, locust, ash, &c. with a sufficient proportion of meadow ground, which certificate will be shewn, also the patents delivered on the day of sale; these lands are situated from one and a half to four miles off the Alleghana river, which produces a variety of excellent fish, and at all times affords navigation for boats, and frequently for vessels of three hundred ton, through which conveyance a ready sale may always be made of any article of produce, they have likewise the benefit of the market at Fort-Pitt, which is not farther distant than ten miles, and so situated that no circumstance can prevent its becoming, in a short time, one of the most considerable towns within the United States, it being a key to the greater part of the Western Country. One fourth of the purchase money to be paid in one month from the day of sale, and the remainder in two years, on giving bond with good security if required, but if the purchaser will pay the remaining three fourths at the expiration of one month from the sale, a discount will be allowed of one third of that sum.

**The last gentle hint**

**WE** have several times, by way of advertisement, called on all those indebted to us to appear and settle their accounts, and have threatened to bring actions against those who did not comply; we have hitherto held our hands, knowing the scarcity of money and the difficulty of the times, and trusting that our debtors would reflect and comply with our reasonable and very moderate requisitions; but we are now convinced that Job's stock of patience would not be sufficient to bear with the tardiness of the present day; we therefore now, for the *last time*, require all who owe us to come in and settle their accounts by bond or note, if they cannot make it convenient to give us cash, by or before the first day of June next. Those who do not regard this notice may be assured that suits will be commenced without ceremony.

**Lands for sale.**

**BY** virtue of an appointment from the chancellor of Maryland, and in conformity to several acts of the general assembly, the following parcels of land will be sold to the highest bidder, at public vendue, at my dwelling house, on Monday the third day of July next, and the sale will be continued from day to day, to satisfy the just debts due from my father George Shipley, sen. of Anne-Arundel county, viz. about 75 acres of land, lying in Baltimore county, on the burnt house branch, near to Hardigan's tavern, whereon is a good mill seat; 215 acres, part of the tract whereon my father now lives, all in wood, whereon are about 60 acres of rich meadow ground; 110 acres, part of the above tract whereon Asa Murphy now lives, there are some small improvements on it; should the above lands prove on the sale of them to be insufficient to pay the said debts of my said father, then there will be exposed to sale the remainder of my said father's home tract, whereon he now lives, for the above purpose, and should that be also insufficient, there will also be exposed to public sale 328 acres of land, lying in Baltimore county. The terms of payment are, one third part of the purchase money to be paid at the end of one year from the day of sale, with interest until paid, one third at the end of two years from the day of sale, with interest until paid, and the other one third at the end of three years from the day of sale, with interest from the day of sale until paid. Bond with approved security will be required. Those persons who choose to view all or any of the above land before the day of sale, will be shewn them by applying to the subscriber, and should the said Monday, the third day of July next, prove wet or bad, in that case the sale will begin on the very next fair day.

All persons having just claims against my said father George Shipley, sen. are desired to bring them in to me before the day of sale that provision may be made for payment as soon as possible, and all those indebted are requested to make immediate payment.

**TALBOTT SHIPLEY, trustee.**

On the second day of next June court, being the 20th day of the month, will be sold at public sale, to the highest bidder,

**A VALUABLE** tract of land, containing 432 acres, adjoining to the bay, between Great and Little Cove point, with an excellent fishing place thereon, particularly in the spring and fall seasons, and a remarkable fine spring of water contiguous to the bay side, where there is a good harbour and landing highly favourable for taking off timber, fence rails, and fire wood; on the above tract of land are two small plantations, both including not more than 60 acres of cleared ground, the remainder abounding with well grown timber, oak, chestnut, pine, &c. many of the latter sufficiently large for ships masts; also an excellent marsh, and a proportion of low ground that with little trouble might be made into good meadow; it is situated within two miles of colonel Fitzhugh's water mill, and not many more from a church. Any person may view the land before the day of sale by applying to the subscriber, at the mouth of Patuxent river. One year's credit will be given from the day of sale for one half the purchase money, and three years credit for the other half, both without interest, in case the payments are punctually made within two months after they become due, otherwise the purchaser to pay interest, and the bond liable to be put in suit for the recovery of principal and interest. The title of the land is indisputable, and a general warranty will be given. Bond with approved security will be required of the purchaser.

is in high perfection at the subscriber's, and will cover the ensuing season for six pounds, and a dollar to the groom.

I have good pasturage at two shillings and six-pence per week, and any gentleman may be supplied with corn for mares left, if required, and great care taken of them, but will not be answerable for escapes or other accidents.
