"RESOLVED unanimously, That the board of treasury be, and they are authorized and directed to open a loan immediately to the amount of five hundred thousand dollars, at six per cent. per annum, on the credit of the foregoing requisition, which they are hereby authorized to pledge to the lenders for the faithful reimbursement of the monies loaned with the interest thereof."

Now therefore, The commissioners of the board of treasury of the United States, by virtue of the powers in them vested by the resolve aforesaid, have agreed to open a loan for the sum of five hundred thousand dollars, in the mode and on the terms following, to wit:

1st. Subscription books for the purpose above mentioned shall, without delay, be opened at the respective loan offices in the several states, in which shall be entered the names, occupations, and places of residence of the subscribers, together with the date and amount of the several subscriptions. Provided always, that no subscription shall be received for a less sum than four hundred dollars.

2d. At the time of subscription the parties shall pay down one fourth part of the amount thereof, and the remainder in three instalments, viz. One third at the end of three months, after the first deposit; one third at the end of six months; and one third at the end of nine months.

3d. The subscribers to the loan shall be entitled to interest on the sums by them respectively subscribed, at the rate of six per cent. per annum, computed from the date of the first deposit, which interest shall be annually paid in gold or silver coin, at the several offices where the subscriptions are entered; but as this privilege of paying by instalments is highly beneficial to the subscribers, it is conditioned, That on subscriptions not completed, the sums actually advanced shall only be demandable at the period fixed for the redemption, without any interest computed thereon.

4th. Receipts shall be given for the payments at the different instalments, and at the end of nine months, on the said receipts being produced at the office where the subscriptions were entered, they shall be cancelled, and the subscribers or their legal representatives shall receive formal obligations on the part of the United States, acknowledging the loan of the money in pursuance of the resolves of Congress of the 21st October last; and stipulating the period of redemption, with an interest of six per cent. per annum, till paid, computed from the date of the first deposit; and for the greater convenience of the lenders, they shall receive the amount of their respective subscriptions, in certificates of the following denominations according to their option.

In Certificates of 1000, 500, 400, 300, 200, 100 dollars each.

5th. The period of redemption of the principal sums subscribed to the above loan, shall be on the last day of December 1788, and the same shall be paid in gold or silver coin, to the parties or their legal representatives.

Provided always, That a right be reserved to the United States of paying off the same at any period subsequent to the last day of December, 1787, giving public notification of such their intention throughout the several states, at least one month previous thereto.

6th. To ensure the reimbursement of the capital to the respective subscribers, the commissioners of the board of treasury engage, that as they shall be able from time to time to ascertain the subscriptions made in the several states, they will draw warrants in pursuance of the present requisition on the respective receivers of taxes for the whole amount of the sums subscribed in the states, and that the same shall, at no time thereafter, enter into the general disbursements of the treasury, but shall be punctually and distinctly appropriated for the redemption of the principal and interest of the monies subscribed to the present loan.

IN witness whereof, we have hereunto set our hands and affixed the seal of office, this twenty third day of November, one thousand seven hundred and eighty-six, by virtue of the powers in us vested by an act of the United States in Congress of the 21st October, 1786.
