

SUPPLEMENT TO THE MARYLAND GAZETTE,

THURSDAY, APRIL 19, 1787.

Mount Vernon, March 12, 1787.

ROYAL GIFT, and the KNIGHT of MALTA,

Two valuable jack-asses,

WILL cover mares and jennies at Mount Vernon this spring for five guineas the season.

The first is of the most valuable race in the kingdom of Spain. The other, lately imported from Malta by the way of Paris, is not inferior.

ROYAL GIFT (now five years old) has increased remarkably in size since he covered last year, and not a jenny, and scarcely a mare, to which he went miffed.

The KNIGHT of MALTA will be three years old this spring, is near fourteen hands high, most beautifully formed for an ass, and extremely light, active and sprightly; comparatively speaking he resembles a fine courser.

These two jacks seem as if designed for different purposes, equally valuable; the first, by his weight and great strength, to set mules for the slow and heavy draught; the other, by his activity and sprightliness, for quicker movements on the road. The value of mules, an account of their longevity, strength, hardiness, and cheap keeping, is too well known to need a description.

MAGNOLIO,

STANDS at the same place for four pounds the season; the money, in every case, to be paid at the stable before the mares or jennies are taken away; no accounts will be kept.

Good pasture, well enclosed, will be provided at half a dollar per week for the convenience of those who incline to leave their mares, and every reasonable care will be taken of them, but they will not be insured against theft or accidents.

3X JOHN FAIRFAX, overseer.

March 6, 1787.

CHATHAM,

WILL stand this season at Mount Alaph, in Charles county, about six miles below Piscataway, and about ten above Port Tobacco, and cover at three guineas, but if the money be sent with the mares, or if paid by the first day of August next he will cover at three pounds fifteen shillings, and two and six-pence to the groom.

CHATHAM was got by Mr. Fitzhugh's Regulus, who was got by Fearnought, who was got by Martindale's Regulus, who was got by the Godolphin Arabian Chatham's dam was Mr. Brent's Ebony, who was out of Selima, got by Colonel Tasker's Othello. Selima was got by the Godolphin Arabian. Jenny Dismal is the dam of Regulus; Jenny Dismal was got by old Dismal, who won a thousand guineas sweep-stake, and five king's plates without being once beaten. Jenny Dismal's dam was got by Lord Godolphin's White-foot, her sire by the Godolphin Arabian.

Good pasture at two shillings and six-pence per week, but will not be answerable for escapes or accidents.
