To the merchant and grist-mill holders of the state of Maryland.

W H E R E A S the honourable the general assembly of Maryland did, on the 12th instant, pass an act granting and well securing to the subscriber, his heirs and assigns, the exclusive right of making and selling (for the term of fourteen years) certain machines of his invention for the lessening of the manual attendance of merchant and grist-mills, this is to inform all who may be inclined to have them erected in their mills that they are very simple and cheap, and not subject to go out of repair, and their utility such that they, if well applied, will perform at least one half of the ordinary attendance of said mills, and in his opinion they will save from waste more than will pay the whole expence of erecting and keeping them in repair; added to his demand by virtue of said act therefore they may well be estimated to at least fifty pounds per annum saving to those who use them. Those desirous of having them are desired to send letters, post paid, directed to the subscriber, Wilmington, Delaware state, that such measures may be adopted as speedily to serve them, by **w 3** **2** **OLIVER EVANS.**

Annapolis, January 1, 1787.

A L L persons indebted to the estate of Colonel William Hyde, late of this city, deceased, are requested to make immediate payments; as there are balances remaining in the hands of several of the late sheriffs, in order that it may be more convenient to those on the eastern shore, the subscriber will authorize some person to receive the sums due from them at the general court in April next, when it is hoped they will pay; those on this side the bay are requested to make payment to the subscriber; those who have claims against the said estate are desired to bring them in legally proved, to **WILLIAM GOLDSMITH**, administrator of William Hyde.

N. B. Colonel Hyde in his life time lent several books and other things which have not been returned, and as some of the books were borrowed by Colonel Hyde, I should be much obliged to those who have them to return them to me, **X** **F. W. G.**

TWENTY DOLLARS REWARD.

R A N away from the subscriber, near Chaptico, in St Mary's county, on the 31st of December, 1786, Negro STEPHEN, formerly the property of Mr. John Lutz, on Patuxent river; he is a dark mulatto, nineteen years old, five feet two or three inches high, proportionably made about the body and shoulders for height, but remarkable spare slim feet, legs and thighs; there is a scar upon the side of his right knee, occasioned by sticking an ax in it; a stout full set of teeth, and a remarkable furly down-look when accused with having done amiss; he had on and took with him, a felt hat, white linen shirt, two coats, one a brown broad cloth, the other a blue, turned up with black, and lined with white; a country spun and fulled purple cloth jacket, button holes bound with the same, purple drilling breeches. I have heard he has changed his name, and passes as a freeman in company with Nace Butler, as a kinman; who has now a suit depending for his freedom.—They have been seen at Mr. Chase's quarter, at Annapolis, and at Baltimore, as Chafe's quarter, any person that will secure the above mentioned negro, so that I may get him, shall receive five pounds, and if brought home, the above reward, paid by **3 X** **PEREGRINE BOND.**

CINCINNATUS,

Prince-George's county, March 20, 1787.

Is esteemed by judges a horse of perfect beauty, and his whole frame a display of nature's greatest maturity. He is a fine bay, delightfully dappled, has a snip, and one white foot, rising five years old, in high condition and full primed virility; and will cover mares this season for the moderate sum of eight dollars. His fire (whole lineaments be so truly bears) was the noted and much admired ARABIAN, whose get stands so generally approved—His dam was got by Dr. Hamilton's imported FIGURE—His grand-dam by DOVE—His great-grand-dam by Colonel Jaker's OTELLO, upon Old SELIMA.—From such premises, it may be presumed, that no horse can be better calculated for the purpose of getting stock, either for the turf or saddle.—Cincinnati is the property of the subscriber, and stands in Upper Marlborough. **6** **JOHN SMITH BROOKES.**

Annapolis, May 15, 1787.

R A N away last night, from the subscriber, living in Charles county, a negro man named W. A. L. L. E. Y, a tall slender made fellow, about six feet and an inch high, aged about 35 years, he is not country born; speaks bad English so that it is a hardy uneducated; had on when he went away a white fernought jacket, a pair of white nap cotton breeches, and oinabrig shirt, and has taken with him many other cloaths, which I cannot describe, as he is remarkably fond of dress. Also went away at the same time, a negro woman named N. E. L. L., age about fifty years, she is a low squat wench; she took with them two horses, one a light sorrel, about fourteen hands and an inch high, branded on the near buttock with the other a dark bay, about fourteen hands high, and a small crop on the end of one of his ears. Whoever takes up the said negroes and hoes that receive for each of the horses, two dollars in brought home, and eight dollars for each negro, paid by the subscriber. **4** **WILLIAM M. WILKINSON.**

Any person securing said negro, so that I get him again, shall receive if taken twenty miles from home two guineas, if forty miles four guineas, and if out of the state six guineas, and all reasonable charges if brought home. **2** **D. He was seen at Annapolis about a week ago, and had on a large hat somewhat floppy, a Devonshire kersey coat, old white plush breeches, white cotton stockings, and shoes with strings in them.
