(CIRCULAR.)
Annapolis, Auditor's office,
SIR,
UPON the books of this office you stand charged as stated below, I was in hopes that every person who had received any sum or sums of money from this state for the purpose of recruiting the army or procuring supplies for carrying on the late war, would long before this time have rendered such accounts thereof, as would have enabled the officers here to have charged the United States with such parts of their disbursements as are properly chargeable thereto. And as the time for presenting the claims of the state against the union is limited to a very few months, I have to request that you will, without loss of time, enable me to settle your account, which may very materially benefit the community of which you are a member.
With much respect, I am, Sir,
Your obedient humble servant,
