HE subscriber has for sale, all that Trast of land, called Beall's Plantation, and Bateman's Field, (being part of Snowden's Reputation Supported) containing from a late jurvey 6761 acres, fituated on the head of South river in anne Arundel county, about 3 miles from navigable water, 12 from the city of Annapolis, 28 from Ba'timore-town, 24 from George-town, and about 7 from the inspection houses of Indian Landing, and Queen-Anne, is well adapted for corn, wheat, and particularly tobacco.

I his plantation has not been tenanted for 3 years, as a most pleasing and desirable situation, and capable of great improvement at a very imail expence; there are 259 acres of timber land, a greater part of the timber is very valuable. - The fubicriber would prefer disputing of the whole in one lot, but has no objection to making several of it, the timber land is convenently fituated for making fuch divitions in equal proportions, and there are many pleasant situations for e. ecting different buildings; it is also well watered -a very good mill ftream runs through it, and there is some meadow ground, and much more may be very readily made. The improvements upon it are, a good dwelling house with three rooms on each floor, kitchen, quarter, corn. OFVRRAL valuable negro fellows, and a negro house, stables, tobacco-house, and two very fine appie orchards, one of which contains 220 trees, together with a number of other valuable fruit trees.

A plan of this estate may be seen at Mr. Vachel Stevens, surveyor, annapolis, who will shew the premises; also at Messrs. William Paterson, and Brothers, Baitimore, and further information had-for price, terms, &c. apply to
