August 21, 1787. LANDS for SALE.

HE subscriber has for sale, all that Trad of land, called Beail's Plantation, and Bateman's Field, (being part of Sno wden's Reputation Supported) Ontaining from a late survey 6761 acres, situated on the head of South river in anne Arundel county, about 3 miles from navigable water, 12 from the city of Annapolis, 28 from Ba timore town, 24 from George-town, and about 7 from the inspection houses of Indian Landing, and Queen-Anne, is well adapted for corn, wheat, and particularly tobacco.

his plantation has not been tenanted for 3 years as a most pleasing and desirable situation, and capable of great improvement at a very finall expence; there are 259 acres of timber land, a greater part of the timber is very valuable. - The fubfcriber would prefer disposing of the whole in one lot but has no objection to making several of it, the timber land is conveniently fituated for making fuch divitions in equal proportions, and there are many pleasant situations for electing different buildings; it is also well watered-a very good mill stream runs through it, and there is some meadow ground, and much more may be very readily made. The improvements upon it are, a good dwelling house with three rooms on each floor, kitchen, quarter, cornhouse, stables, tobacco-nouse, and two very fine apple orchards, one of which contains szo trees, together with a number of other valuable fruit trees.

A plan of this estate may be seen at Mr. Vachel Stevens, fury yor, Annapons, who will thew the premises; also at Messis. William Paterson, and Brothers. Baltimore, and further information had-for price, terms, &c. apply to
