Forty Silver Dollars, or Five Half Joes Reward,

OR apprehending one of the most unprincipled. fellows in the state of Maryland, a dark mulatto flave named DICK, who absconded yesterday evening; he is about five teet eight inches high, well mate and active, is about 28 years of age, has a scar by the right eye, which is very obvious upon examination; had with him an old turn'd cloth coat, jacket and breeches, yarn stockings, ofnahrig shirt and trousers, a felt hat, a pair of shoes and steel buckles, with a few other cloathes, but if possible by any stroke of villainy to acquire more, I make no doubt he will effect it.-If caught great care ought to be taken to secure him properly, as he is master of such address that there is few people on whom he would not impose; he ran away about three months ago, and was brought from Red Stone, but I conjecture that he will now make to the eastern more, or to the Delaware state, or Pennsylvania, or endeavour to get on board some vessel. will give the above reward to any person who will put him in Baltimore gaol, so that I get him again, or in addition thereto all reasonable travelling charges when delivered to me in the upper part of Anne-Arundel county and state of Maryland.

A Pamphlet, entitled, REMARKS

FEDERAL GOVERNMENT, BY ARISTIDES.

Price one quarter of a dollar for a single copy, and proportionably much less for 100, 50, or 25 copies.

The author begs leave to assure the public, that he would be happy, could he, conveniently, distribute gratis, as heretofore, the production of his labour. But this cannot be done, without incurring a considerable expence, or imposing on a few generous subscribers. From a circumstance not necessary to be mentioned, the cost of the impression exceeds his and the Printer's first expectation. The price therefore of a copy is higher than he wished to fix. It is no part of his plan to make money from the fale; and the most pressing demand will produce little more than an indemnification.
