March 9, 1788. HE honourable the chancellor of Maryland having appointed the sunscribers trustees for the creditors of William Logan, of the city of Annapolis; in order to enable us to execute the faid trust, notice is hereby given, that all persons indebted to the said William Logan make immediate payment, and those who have any demands are requested to produce the same, that a just and proper dividend may be made, and the business closed as soon as possible.

To be fold, on Tuesday the 20th of May next, at two o'clock, P. M. on the premises, a lot of ground in the city of Annapolis, known and distinguished on

DAVID GEDDES, } trusteet.

OR apprehending one of the most unprincipled fellows in the state of Maryland, a dark mulatto flave named DICK, who absconded yesterday evening; he is about five feet eight inches high, well made and active, is about as years of age, has a scar by the right eye, which is very obvious upon examination; had with him an old turn'd cloth coat, jacket and breeches, yarn Rockings, oinsbrig thirt and trouger. felt hat, a pair of thoes and theel buckles, with a few other cloathes, but if possible by any stroke of villains to acquire more, I make no doubt he will effect it. If caught great care ought to be taken to secure him properly, as he is mafter of fuch address that there is few people on whom he would not impole, he ran away about three months ago, and was brought from Red Stone, but I conjecture that he will now make to the eastern thore, or to the Delaware state, or Pennivi vania, or endeavour, to get on board some vessel. will give the above reward to any person who will put him in Baltimore gaol, so that I get him again, or in addition thereto all realonable travelling charges when delivered to me in the upper part of Anng-Arundel county and state of Maryland. CHARLES ALEXANDER WARFIELD.

N. B. All masters of vessels and others are sore. warned harbouring or carrying him off at their peril.

Mount Vernon, March 6, 1788. and the

Two valuable imported jack-asses, VILL cover mares and jennies at Mount Ve. non the enfuing ipring, for (on account of the fearcity of cash) three guineas the leaton, and two millings and fix-pence to the groom, for his care of

and attention to, the females. The first is of the most valuable race in the kingdom of spain—the other is of the best breed in the Island of Maita.

ROYAL GIFT (now 6 years old) has increased in fize fince he covered last feafon, and not a jenny, and hardly a mare to which he went, missed.

The KNIGHT of MALTA will be tour years old this ipring, about fourteen hands high, most beat. titully formed for an ais, and extremely light, active and sprightly; comparatively speaking relembing fine courfer.

Thefe two jacks feem as if defigned for different put poses, but equally valuable; the first, by his weight and great strength, to get mules for flow and heavy draught; the other, by his activity and iprightlines, for quicker movements. The value of mules on account of their longevity, strength, hardiness and chen keeping, is too well known to need description.

MAGNOLIO,

C'TANDS at the same place for two guineas the safon, and two hillings and fix-pence to the groom-The money, in both cases, to be paid before the jes nies or mares are taken way, as no accounts will te kept.

Good pasture, well enclosed, will be provided t half a dellar per week, for the convenience of those who incline to leave their mares or jennies, and every reasonable care will be taken of them, but they will not be ensured against theits, escapes, or accidents. JOHN FAIRFAX, Overleer.

X 7 I L L fland for mares this feason, at Mrs. Diney's plantation near south-river church, # three guineas each mare, and a dol ar to the groom. VENETIAN is a fine bay, titteen hands one ind high, with length and bone in proportion. He was bred by Sir James Pennyman, bart. of Yorkihire, and got by Doge, his dam by Jennison Shartoe Snap, int to Goldfinder, Gnawpott, Daley and other good Ille ners, his grand-dam by old Fox. Doge was ored by captain Wentworth, and got by Regulus, fon of the Godolphin Arabian, his dam by Crab, his grand-dat by Dycar's Dimple, which was got by Leed's Arabian, his dam by old Shanker, a fon of the Darey Yellow Turk, out of a daughter of Dodsworth Leed's and bian, was the fire of Leed's, also Basto, Old Fox, and the grand dam of Childers. It is unnecessary to gat conate any thing in favour of the figure of this north or performance, every gentleman that has feen him, thinks him the handsomest ever imported into this fatt He covers two guineas lower than he ought, owing w the scarcity of cash. Grass for mares at har a doll per week, but will not be answerabe for escapes & accidents ; no mares will be terved, without the me ney is lent with them. JOHN CRAGGS

March 10, 1788.

Prince-George's county, March 6, 1781, RTOTICE is hereby given, that I intend to pet IN tion the general affembly of Maryland, at the next session, for an act to enable me to collect the ses and other debts, which may appear to be due to me as theriff of Prince-George's county in the year 1769, 1770, and 1771.
