On a report of the board of treasury, to whom was referred a motion of Mr. Carrington,

RESOLVED, That Congress proceed to the election of two commissioners for settling the accounts of the five great departments, to continue in office

Ordered, That the commissioners of accounts for the quarter-master's, commissioners, hospital, marine and cloathing departments, with the approbation of the board of treasury, commence suits in behalf of the United States, against all persons in any of the said departments who stand chargeable with public monies, and whose accounts shall not be lodged with the proper commissioners within four months, computed from the present date, and that this or or be published in the several states for the period above

mentioned. Resolved, That the said commissioners be directed to continue their unremitted attention to the final adjustment of all accounts which have arisen in the faid departments, and to the recovery of all sums for which faits may be commenced, and that at the termination of their commission they deposit with the register of the treasury all the books and papers of their respective offices, together with a general ab-Aract of the sums due from individuals, in order that immediate measures may be adopted for the recovery

of the same. Congress proceeded to the election, and the bal-

lots being taken, M. Jonathan Burrall was elected a commissioner or settling the accounts of the quarter-master's and

commissaries department, and Mr. Benjamin Walker was elected commissioner for fettling the accounts of the hospital, marine, and

cloathing departments. CHARLES THOMSON, Secretary.

Most of the lots lay either up on the river or creek, the threets extending at right angles from the one to the other, the harbour is could to any upon the river, and the banks fufficiently high for making wharves for thips of almost any burden to lay along fide; at present thips that carry five hundred hogsheads of tobacco may load lafely within twice their length of the shore. It is probable a few years experience will prove, that the situation of this place for trade is equal to any upon the river, being the near est navigation for vessels of any considerable burden to a very extensive and fertile country. Six thouland hop. theads of tobacco have been taken at Dumfries the prefent inspection. The grain trade, if carried on to any advantage from this part of the country, must be from the mouth of the creek, as at present it can be navigated but by very small craft, and is daily growing worse. Bonds with approved security will be taken for three fourths of the purchase money, payable in twelve months, and carrying interest from the day of sale, if not puctually paid. The first is of the most valuable race in the kingdom of Spain—the other is of the best breed in the Island of Malta.

ROYAL GIFT (now 6 years old) has increased in fize fince he covered last season, and not a jenny, and hardly a mare to which he went, miffed.

The KNIGHT of MALTA will be four years old this spring, about fourteen hands high, most beautifully formed for an ass, and extremely light, active and sprightly; comparatively speaking resembling a nne courier.

These two jacks seem as if designed for different purposes, but equally valuable; the first, by his weight and great strength, to get mules for flow and heavy draught; the other, by his activity and iprightlines, for quicker movements. The value of mules on account of their longevity, strength, hardiness and cheap keeping, is too well known to need description.
