September 16, 1788. NOTICE is hereby given, that application will be made to the general affembly of Maryland, at their next session, to pass a law to establish the general court for the eastern shore of this state at the town of Talbot, in Talbot county, and to repeal so much of the act of February, 1777, as orders the said eastern shore court to be held at Talbot court-house until a town shall be laid out at Dover, and a court-house and prison there erected, after which the said court for the eastern shore shall be for ever held at Dover.

Annapolis, October 1, 1788. BSERVING a number of debtors to the state, as well as other individuals, are often in want of some kind of certificates, and at a loss where to get them on proper terms for their money, and the holders of certificates when in want of cash for them, are likewise at a loss for a market, for want of some particular place to apply, where they could be on a certainty of getting an exchange on reasonable terms.

The subscriber being well acquainted with the different kind of certificates and their passing value, has induced him to offer his service to provide, and inform those that do or may want, that by lodging the needful he will supply them with certificates, or cash, at a short notice, on reasonable terms, on paying a moderate commission. There being a number, who have payments to make in certificates to the treasury, that live at a confiderable distance, many of whom wish to make payments as they provide money for that purpose, are prevented for want of the certificates, and not being convenient to ride 50 or 100 miles to get them and make a small payment; those who are thus situated that wish to be provided with certificates, and have them placed to their credit, by forwarding the money at any time may depend on being furnished with certificates, and payment made to their orders, on as good terms as if they were present, by their Humble servant,

Annapolis, April 19, 1788. HE subscribers being very anxious that an immediate payment of what is due them be made, that they may be enabled to comply with their engagements; in order to facilitate the collection, have appointed Mr. JOHN WATKINS, to call upon those who have accounts with them, for the same, whose receipt shall be good; they beg that this notice be particularly attended to, as it is not in their power to give any further indulgence; those who incline to call and pay at Annapolis, will always find a person at their late store on the Dock, or at the treasury office, ready to receive. THOMAS and BENJAMIN HARWOOD.

Two Hundred Dollars Reward.

HE subscriber, of Prince-George's county, in the month of October, 1787, had a tobaccohouse, full of tobacco, consumed by fire in the night; and on the night of the 28th of August last, he had seven stacks of wheat and rye, destroyed in the same manner, and an attempt at the fame time was made to burn a new and valuable tobacco-house with three hogsheads of packed tobacco, a quantity of plantation utenfils, and a variety of other valuable property, therein. On the night preceding the evening when the aforesaid tobacco-house was burnt, Notley Young, Esquire, for whom the subscriber is manager, lost a tobacco house by fire. The subscriber is fully convinced that these misfortunes were not occasioned by accident, but that some depraved and hardened wretch has secretly and wilfully attempted his ruin by the commifsion of those enormities. The above reward of TWO HUNDRED DOLLARS is hereby offered to any person who will apprehend and secure the perpetrator or perpetrators of the crimes above mentioned, so that they be brought to condign punishment.

The OLD and NEW TESTAMENT: WITHTHE

> Apocrypha and Marginal Notes. CONDITIONS:

I. This work, to be contained in one large volume Quarto, of nine hundred and eighty-four pages, will be reprinted page for page with the Oxford edition, on a beautiful new type, and good paper. An index will be added; and also the Scripture measures, weights and coins.

III. The work to be put to press as soon as three thousand copies shall be subscribed for, and to be sinished without delay."

The Editor has been encouraged, by a number of respectable characters, to offer the above proposals to the public, under a conviction that a handsome American edition of the Bible, in Quarto, will, at this time, be both seasonable and acceptable, as no part of the money will go out of the country.

This consideration, it is hoped, will be an induce. ment to subscribe, and of course promote the more frequent reading of this most invaluable book in private families. He therefore wishes to attract the at. tention, and obtain the countenance of people of all denominations; not doubting but that, in the execution of the work, he will be able to give ample satisfaction, both as to its accuracy and neatness.

Subscriptions will be received by Hugh Gaine and Edmund Prior, New-York; by Joseph Crukshank and William Young, Philadelphia; by Townsend and Patton, Baltimore; and by the editor in Trenton.

It is requested, that the leading characters of all the different denominations of Christians in the United States, who may feel disposed to promote this undertaking, will, as early as may be, grant their affiltance in procuring subscriptions -- and that the several printers of news-apers in the union will be pleased to insert the above proposals in their papers.

To all whom it may concern.

Mr. Isaac Collins has, for many years lait past, been, and still is, printer to the state of New-Jerley: Having by this means had the more frequent opportunities to see his work, I have had abundant proof of the accuracy and correctness of his publications, as well as of his remarkable attention to business.
