The beautiful HORSE

WILL cover mares this feafon at the subscriber's of five pounds currency per mare, and one dollar to the groom, but if the money is paid when the mare is taken away, three pounds, and one dollar to the grocm, will be taken in lieu of the five pounds. It is useless to insert his pedigree as it is will known, but it may be seen at his stable. ROEBUOK's stock is remarkable, both for the turf and faddle, I believe equal to any in the state. Good pasturage is provided for mares that come a distance, at two and fix-pence per week, and great care will be taken of them; but will not be answerable for escapes or accidents. 8w WILLIAM M. WILKINSON. Charles county, March 26, 1789.

FRIENDSHEP,

HANDSOME full bred horse, stands this seafon at the subscriber's plantation, in Prince-George's county, about seven miles from Bladensburg, and the same distance from Snowden's works, and will cover mares at fix dollars each; he is a good forrel, full fifteen hands high, with length and bone in proportion, and is fix years old; he was bred by William Mitchel, Esquire, of Virginia, and was got by Apollo, the property of colonel Henry Lee, out of an imported full bred mare. Apollo was got by general Spotswood's noted Apollo. FRIENDSHIP has run two matches, and won both eafy. Few horses in this state are equal to him in beauty and form. He covers at half price, owing to the scarcity of cash. CHARLES DUVALL.

N. B. Thirty live shillings will be received if the money be paid by the first day of September next. March 18, 1789. 6 June

CARELESS,

CTANDS this season at Strawberry Hill, and coyers at three dollars a mare, and half a dollar to the groom, if the cash is sent with the mare, or at four dollars a mare, and half a dollar to the groom, on credit, or at two barrels of corn, and three shillings and nine-pence to the groom, provided the corn is delivered before the first day of June next, at Strawberry-Hill. Good pasturage for mares at three shillings and nine-pence per week, under a good fence, but will not be answerable for escapes or other accidents. 5w RICHARD SPRIGG.

CINCINNATUS.

TTHO has so repeatedly and so successfully signalised himself on the turf, and who is perhaps the handsomest and best bred Arabian on the continent, will cover mares this season at the subscriber's plantation, about two miles from Upper-Marlborough, for three pounds current money each. Pasturage for mo hillings end fix pence per week, but no indemnity for accidents or escapes. He was got by the Arabian, his dam by Figure, his grand-dam by Dove, his great-grand dam by Othello, upon Selima. w4

NORTHERN ECLIPSE,

WILL stand for mares this season at London-town, near Annapolis, at two guineas each mare, and a dollar to the groom, the money to be lent with the mares. Pasturage for mares at half a dollar per week, but will not be answerable for accidents or cicapes. This horse is a chesnut, fifteen hands and an inch high, not handsome, but he has some of the best English running blood in his veins, with bone and ac-

JOHN CRAGGS. NORTHERN ECLIPSE was got by O'Kelly's famous Eclipse, and out of Ameryllis. Ameryllis was got by Adolphus, son of Regulus, and out of Lodge's roan mare, which was got by Partner (the first and most famous stallion then in England) her dam by Baboon, which was got by Badger, her grand-dam by old Traveller, which was fire to the duke of Cleveland's Dainty Davy, which won successively five gold cups at Richmond, in Yorkshire, her great-grand-dam by Snake, then the most capital stallion of his day. This is a true pedigree, as witness my hand,

W. NEWBURN, the Breeder, Cleveland, Yorkshire.

ROYALGIFT

And the

KNIGHT of MALTA,

Two valuable imported Jack-Asses,

T7 ILL cover mares and jennies at Mount Vernon the ensuing spring for three guineas the season, and two shillings and fix-pence to the groom, for his care of, and attention to, the females. The first is of the most valuable race in the kingdom of Spain; the other of the best breed in the island of Malta. ROYAL GIFT (now feven years old) has increased in fize fince he covered last scason. The KNIGHT of MALTA will be five years old this spring, about fourteen hands high, most beautifully formed for an ass, and extremely light, active and sprightly; comparatively speaking, resembling a fine courser.

These two JACKS seem as if designed for different purposes, but equally valuable; the first, by his weight and great strength, to get mules for the flow and heavy draught; the other, by his activity and sprightliness for quicker movements. The value of mules, on account of their strength, longevity, hardiness and cheap keeping, is too well known to

need description. The money is to be paid before the mares or jennies are taken away, as no accounts will be kept. Good pasture, well enclosed, will be provided, at half a dollar per week, for the convenience of those who may incline to leave their mares or jennies, and every reasonable care will be taken of them, but they will not be ensured against thests, escapes or accidents.
