III. The work to be put to press as soon as three thousand copies shall be subscribed for, and to be sinished without delay.

The Editor has been encouraged, by a number of respectable characters, to offer the above proposals to the public, under a conviction that a handsome American edition of the Bible, in Quarte, will, at this time, be both seasonable and acceptable, as no part of the money will go out of the country.

He therefore withes to attract the a tention, and obtain the countenance of people of all denominations; not doubting but that, in the execution of the work; he will be able to give ample fatiffaction, both as to its accuracy and neathers.

Subscriptions will be received by Hugh Gaine and Edmund Prior, New-York; by Joseph Crukshank and William Young, Philadelphia; by Townsend and Pat-ton, Baltimore; and by the editor in Trenton.

It is requested, that the leading characters of all the different denominations of Christians in the United States, who may feel disposed to promote this undertaking, will, as early as may be, grant their affiftance in procuring subscriptions and that the several printers of news-papers in the union will be pleased to insert the above proposals in their papers.
