TS in great perfection, and stands this season at Mount-Arrarat (the seat of Doctor Thomas Marshal) fix miles below Piscataway, and will cover mares at three pounds the season, and five shillings to the groom, but the money must be punctually paid by the first of September. HYDER ALLY is a fine gray. beautifully dappled, eight years old this spring, full fifteen hands three inches high, remarkably handsome, boney and active: his strong resemblance to his sire, who stood in such high estimation in the states of Virginia and Maryland, and whose colts have been capital performers on the turf, will be a considerable inducement to those who wish to breed fine horses, and the following pedigace, well authenticated, will prove him equal in blood to any horse in America:--He was got by the noted Arabian, his dam by Othello, his granddam (an imported mare from the duke of Hamilton's Stud) by Spot; his great-grand-dam by Cartouch, his great-great-grand-dam by Old Traveller, his greatgreat-great-grand-dam by Sedbury, his great-greatgreat-great-grand-dam by Childers, out of a Barb mare, Good pasturage is provided for mares gratis, and every possible care taken of them, but escapes and other cidents must be at the risque of the owner.

The Beautiful Imported Horse VENETIAN.

TITLL cover mares this season, at the Hop-Yard, be discharged by paying three guineas a mare, on or before the first day of August next, and a dollar to the groom when the mare is covered. VENETIAN is a fine bay, fifteen hands two inches high, with length and bone in proportion, was bred by Sir James Pennyman, Bart. of Yorkshire, and got by Doge, his dam by Jennison Shafto's Snap, (who was fire to Goldfinder, Gnawpost, Dasey, and other good runners,) his grand-dam by Old Fox. Doge was bred by captain Wentworth, and got by Regulus, a son of the Godolphin Arabian, his dam by Crab, his grand-dam by Decar's Dimple, who was got by Leeds's Arabian, his dam by Old Shanker, a son of the Darey Yellow bian was the fire of Leed's, also Basto, Old Fox, and the grand-dam of Childers. His performances on the turf were capital, the particulars of which may be seen by referring to the racing calendar for the years 1777. 1778 and 1779. In 1779 he ran for the great subscription at York, against High-Flyer alone, and the bets were only two to one against him; whereas, when High-Flyer ran against many capital horses the bets in fayour of High-Flyer were generally from 6, 8 and 10 to one. High-Flyer was never beaten. Venetian's colts are remarkably handsome and stout. Near 200 acres of good pasturage for mares (under an excellent fence) gratis, and the greatest care taken, but will not be answerable for escapes or accidents. OVERTON CARR.

N. B. Those gentlemen who are in arrears for mares sent to Venetian, last season, and of course are liable to pay five guineas, are informed, that, by fending their mares this season, and paying fix guineas on or before the first day of August next, shall have a receipt in full. O. C.
