The beautiful Horse ROEBUCK.

TILL cover MARES this season at the subscriber's plantation, in Charles county, at the price of five pounds currency per mare, and one dollar to the groom, but if the money is paid when the mare is taken away, three pounds, and one dollar to the groom, will be taken in lieu of the five pounds. It is useless to insert his pedigree as it is well known, but it may be seen at his stable. ROEBUCK's stock is remarkable, both for the turf and saddle, I believe equal to any in the state. Good pasturage is provided for mares that come a distance, gratis, and great care will be taken of them; but I will not be answerable for accidents or escapes. WILLIAM M. WILKINSON.

Charles county, March 6, 1790.

The high bred Horse HYDER ALLY,

TS in great perfection, and stands this season at Mount-Arrarat (the seat of Doctor Thomas Marshal) fix miles below Piscataway, and will cover mares at three pounds the season, and five shillings to the groom, but the money must be punctually paid by the first of September. HYDER ALLY is a fine gray, beautifully dappled, eight years old this spring, full fifteen hands three inches high, remarkably handsome, boney and active: his strong resemblance to his sire, who stood in such high estimation in the states of Virgin; and Maryland, and whose colts have been capital performers on the turf, will be a confiderable inducement to those who wish to breed fine horses, and the following pedigiee, well authenticated, will prove him equal in blood to any horse in America:--He was got by the noted Arabian, his dam by Othello, his granddam (an imported mare from the duke of Hamilton's Stud) by Spot, his great-grand-dam by Cartouch, his great-great-grand-dam by Old Traveller, his greatgreat-great-great-dam by Sedbury, his great-greatgreat-great-grand-dam by Childers, out of a Barb mare. Good pasturage is provided for mares gratis, and every possible care taken of them, but escapes and other accidents must be at the rifque of the owner. PETER CORNEIL, Groom.

WILL cover MARES and JENNETS at Mount-Vernon, the ensuing season—thereaster one of them will be removed from thence. The price for mares will be ten dollars, half a dollar per week for pasturage, and two and fix pence to the groom; and for jennets three guineas, and two and fix-pence. No charge will be made for pasturage of the latter, provided they are taken away by the first of August; but if longer continued the above price will be demanded thenceforward per week. The pasture and fences are good, but no warranty will be given against escapes or accidents.

The qualities and fizes of these two animals have been often described, it is only necessary, therefore, to add, that they have increased in fize fince last year. JOHN FAIRFAX, Manager.
