To the PUBLIC.

HE subscriber having purchased of Mrs. Anne James, widow of Doctor Thomas James, for a valuable confideration, the genuine receipt for making the celebrated JAMES's WATERS, well known for their efficacy in many grievous complaints:--He gives this public notice, that, on the first of June, or some time in that month, all persons who apply at his house, in Port-Tobacco, Charles county, may be supplied with that valuable medicine. That no one may look on this as a deception, the following affidavit is sub-

TS hereby given, that the subscriber intends to apply to the next county court for a commission under the act of affembly, entitled, An act for marking and man by the name of SAM, aged 30 gahela Counties, Virginia, will of land known by the name of STEWART's PUR-CHASE. EDWARD STEWART. Anne-Arundel county, June 9, 1790.

> 1) A N away from the subscriber, living in Saint Mary's county, about the month of July last, a country-born negro man named CLEM, about 30 years old, and about five feet

nine inches high, rather spare made. and I think has a look out of his eyes as if one or both had been formerly hurt; he has some little knowledge of the shoe-maker's and carpenter's business; he was formerly the property of James Chappelear, of this county, whom he was bought in Virginia by, Mr. Francis Hamersly, and sold to the subscriber a few weeks preceding his going off. It is thought by some that he has got over to the state of Virginia, but I am inclined to believe that the upper part of this county, the lower part of Charles and Calvert counties he mostly frequents. Any person apprehending the said fellow and securing him in a gaol, so that I get him again, shall be paid a reward of TEN DOLLARS, including what the law allows, and if brought home shall immediately be paid a reward of FIVE POUNDS currency by the subscriber, living about ten miles below the Cool-Springs—and all persons are forewarned harbouring or entertaining the faid fellow at their peril.
