COME time in the year 1779, or 1780, I commenced I a fuit of trespais and ejectment, in the general court of the western shore, against a certain James Howard, fon of Henry, of Anne-Arundel county, whose land adjoined to mine. The faid Howard pretended to claim part of my land, by the deed he HAT the subscriber, a prisoner in Charles com claimed under, wherein the beginning was described . ty gael, intends to petition the general affi to be at a certain heap of stones, made by his said fa- of Maryland, at their next session, for an act to release ther Henry; on running the lines of my land, in the him from debts which he is unable to pay. year 1750, or thereabouts, the said James died before the fuit was ended, after his death it went off the said deed, by which the said Howard claimed part of my land, has been erased, and the beginning altered from the aforesaid heap of stones to a red oak tree within my lines, from the faid heap of stones about 75 or 80 yards. If he the said James could have established his boundary at said red oak, he would have taken the water of my land, secured him from the trespass, taken away my improved meadow, thrown my lines to the south-west into a worn out old field, not worth one shilling per acre, and made me a trespasser, for which he had a suit against me at the same time. I have also examined the records of the county, wherein his deed was recorded, and find that the faid record is also eraled, and the beginning made at the faid red oak instead of the aforesaid heap of stones-Part of the letter S, on the county records, is still perceivable—NO-TICE is hereby given, that I intend to petition the general affembly of Maryland, at their next meeting, to pass a law to amend the said records and deed agree able to the original grant to the faid James.
