Herring-Bay, Anne-Arundel county, March 14, 1792.

HYDER ALLY,

TOW the property of the subscriber, is in high perfection, and stands this leason at the seat of RICHARD CHEW, Esquire, to cover mares at two guineas each, payable the first day of September next, when it is expected the strictest punctuality will be observed.

HYDER ALLY is a beautiful gray, elegantly dappled, full fifteen hands three inches high, bony, lengthy, strong, and active, his strong resemblance to his sire, whose stock stands in high estimation both for the turf and saddle, will, it is presumed, entitle him to a preserence, and his pedigree following will prove his blood equal to that of any horse in America.

He was got by the noted Arabian, his dam by Othello, his grand-dam (an imported mare from the duke of Hamilton's stud) by Spot, his great-granddam by Cartouch, his great-great grand-dam by Old Traveller, his great-great-great-grand-dam by Sedbury, his great-great-great-great-grand-dam by Childers, out of a Barb mare.

Excellent pastures are provided for mares coming from afar at 2/6 per week, and every possible care taken of them, but accidents and escapes must be at the risk of their owners. PETER EMMERSON.

Annapolis, January 1, 1792. At a meeting of the VISITORS and GOVERNORS of ST. JOHN's COLLEGE, in the state of Maryland, on Thursday the 10th of November last,

RESOLVED, HAT this board, at the quarterly meeting in May next, proceed to elect a VICE-PRINCIPAL of St. John's College.

That it be the duty of the principal and vice-principal to teach some of the higher authors in Latin and Greek, certain parts of the mathematics, logic, and moral and natural philosophy; and that the departments of the said principal and vice-principal shall striped and sprigged, muslins; corded dimities and hereafter be ascertained with precision, on consideration of their mutual convenience and qualifications.

for his services, a salary of three hundred and fifty cambricks and lawns; silk, cotton and thread, hosiery; pounds current money, rating dollars at 7/6 each, to be paid quarterly.

That persons desirous of, and qualified for, the office of vice-principal, be, by public advertisement, requested to make application to Mr. Charles Wallace, Mr. Charles Carroll, of Carrollton, and Mr. Alexander Contee Hanson, all of the city of Annapolis. By order of the Board,

JOHN THOMAS, President. N. B. The fundamental laws of St. John's college prohibit all preference on account of religious tenets or opinions.

As the appointment of a vice-principal is alone wanted to complete the plan of this rising seminary, the board will certainly proceed, at the time stated, to an election, provided a perion qualified, in their judgment, for this important office, can be procured. The personal attendance of the candidates, although not positively required, will be obviously proper.

It may be use ul to remark, that the salaries of all the pro effors and teachers have hitherto been paid with entire punctuality, and that the funds of St. John's coilege produce a certain annual income superior to all the appropriations which have been or probably will be n.ade.

States are earnestly requested to insert the above re- intend to establish a communication from this place solve and remarks, and to repeat the publication as often as convenience will permit.
