By the CORPORATION of the CITY of ANNA-POLIS, September 21, 3793.

ORDERED, That the by-law to prevent the introduction of malignant diseases into this city, be published in the Maryland Gazette, and Baltimore Journal, four weeks; and that one hundred copies thereof be immediately printed, and diffributed by the

mayor.

A BY-LAW to prevent the introduction of malignant difeates into this city.

TATHEREAS a malignant and contagious fever has been for some time raging in the city of Philadelphia, and that through the usual intercourse between that city and the louthern states, there is reason to apprehend that this fatal disease may be introduced into this city, unless measures are taken to

BE IT ESTABLISHED AND ORDAINED, by the Mayor, Recorder, Aldermen and Common-Council, of the City of Annapolis, and the Authority of the same, That doctor Reverdy Ghiselin be and he is hereby appointed health officer for the city and port of Annapolis, whole duty it hall be, and he is hereby authorised and requited, to examine, upon oath or otherwise, all strangers that may come to this city by water, or in stages; and if, upon such examination, he shall be of opinion that there is no reason to apprehend that the said ditcase, or any other malignant disorder, will be communicated or introduced by the person or persons so examined, he shall grant a certificate or certificates to that effect; and until such certificate shall be obtained by ilrangers travelling by water to this city, it shall not be lawful for any such person to land therein.

AND BETTABLISHED AND ORDAINED, by the authority aforesaid, That the health officer aforesaid shall not grant a certificate as aforesaid to any person who shall come from the city of Philadelphia to this place, unleis he shall have lest the said city sourteen

days at the least.

prevent it;

AND BE IT ESTABLISHED AND ORDAINED, by the authority aforesaid, That Richard Giles Brewer and Thomas Hewitt be and they are hereby appointed to affist in the execution of this law; and it shall be the duty of one of them to attend constantly at the Dock, and give information to the health officer of the arrival of all and every vessel that shall come to this city, and on Mondays and Fridays to attend at the entrance into the city by land, and give information to the faid health officer of the arrival of the stage, and in case of the absence of the said health officer, information shall be given to the mayor of the city, or to John Da idson, merchant, James Williams, or James Mackubin, who are hereby veited with all the power and authoris given by this by-law to the said health officer; and they and each of them are hereby authorised and required to perform all the duties herein before

AND BE IT ESTABLISHED AND ORDAINED, by the authority aforesaid, That whatever inhabitant of this city, or the precincts thereof, shall, after the publication of this by-law, take or receive into his or her house or family any person who shall come to this city in a stage, or any person who shall come to this city by water, until such person shall have obtained a certificate from the health officer of the city, or in case of his absence from some one of the persons aforesaid, to the effect herein before mentioned, such inhabitant, fo taking or receiving at any time into his or her house or family any fuch person, not having obtained such certificate, shall forfeit and pay the sum of three pounds current money for every such offence, to be recovered by indictment or confession, to the use of

the corporation. AND BE IT ESTABLISHED AND ORDAINED, by the authority aforesaid. That it shall not be lawful to land in this city any goods, wares or merchandiles, which shall have been brought from the city of Philadelphia fince the fixth day of August last, nor any goods, wares or merchandises, which shall be brought from Baltimore-town, or elsewhere, before examination by, and permission from, the health officer aforesaid; and any skipper, or other person commanding a vessel, who shall hereafter land any goods, wares or merchandises, before such examination and permission, shall forfeit and pay the sum of three pounds current money for ary sich offence; and every inhabitant of this city, and the precincts thereof, who shall take or receive from on board any vessel which shall come to this city, before such examination and permission as aforesaid, any such goods, wares or merchandises, fuch person, so offending, shall sorfeit and pay for every bale, trunk or package, and for every article unpacked, the sum of three pounds current money, to be recovered as aforesaid, for the use aforesaid.

AND BE IT ESTABLISHED AND ORDAINED, by the authority aforesaid, That in case the said health ossicer shall know, or be informed, that any person, not an inhabitant of this city, shall be infected, or suspected to be infected, with the said disease, within this city, or the precincts thereof, it shall be saw it for the mayor, together with the said John Davidson, James Williams, and James Mackubin, or any two of them, and they are hereby authorised and empowered, to take the most effectual measures for the removal of any fuch person from this city, so as to prevent its

PROPOSALS For PUBLISHING a PERIODICAL WORK, to be entitled,

The MONTHLY MIRROK; or, MARYLAND MUSEUM.

I. T shall contain a pleating variety of interesting and entertaining subjects, calculated to improve as well as amule the mind. The most approved telections from different authors, both ancient and modern, either of Europe or America, will form a part of this work; likewise, the newest improvements and discoveries that have or may be made, within the pre-Tent century, in each art and science.

II. Extracts from various writers on Religion, Philofopby, Law, Physic, and Divinity, shall also compose a part of this work.—A space will be assigned for the debates of congress—the debates of the British house of commons—a complete register of soreign and domestic news-essays-poetry-marriages-deaths, &c.

III. Farmers, millers, and mechanics, shall be gratified with a particular description of such methods and machinery as are now in use among ee most experienced in the above branches of business, in this country and in Europe.

IV. It shall comprise forty-eight octavo pages, neatly printed, and stitched in blue paper.-Price to subscribers Twenty Shilling per annum; others who purchase will have to pay Twenty-two Shillings and Six-pence, or a Quarter of a Dollar each number.

V. As soon as 400 subscribers are procured, this work shall be put to press, and a number delivered pages will be assigned for ADVERTISEMENTS, which may be of peculiar advantage to the manufacturing in their wildom may seem proper. and trading part of the community in every state in the union; as it is expected to meet with a general circulation throughout the continent, and serve as a vehicle of useful information and instruction to every citizen in the United States.

IT is needless to say much in favour of a publication of this nature.—The utility and convenience of CASH. a work of this kind must appear obvious to every person the least acquainted with polite literature, and a SHOES. general knowledge the world.-It will contribute towards the stock of necessary information, respecting mercantile affairs, manufactures, agriculture, and commerce; and is meant to convey pleasure as well as profit to those who shall patronise this work .--Readers, of every denomination, shall occasionally be furnished with sketches of real life, and the utmost exertions shall be made to render it as useful a publication as any ever attempted in this country.

Subscriptions are taken in by the publisher Philip EDWARDS, JAMES RICE, and AMBROSE CLARK, in TNOWING that suits have been brought against Baltimore.

earnestly requested to give these proposals a place in have installed their debts, owing, I apprehend, in their news-papers, which will very much oblige their many cases, to the time of payment having escaped most obedient humble servant,

PHILIP EDWARDS. Baltimore, June 3, 1793.

Baltimore, shall-have their books forwarded by the December next, and that execution will issue immeearliest and cheapest conveyance, but at their own diately thereafter against every delinquent. risque and expence.

* Half the subscription money to be paid on the delivery of the first number.
