Berlin, March 13. 1794. April 12. There is rumour here, that the emperor of Morocco, gained over by French money, means to attack the Spanish settlements on the coast of Africa. This will be a very troublesome diversion, although at this moment the marine of Spain is in good condition, da, M'Kee, and Elliot, the Indian agent, (the two and able to repress the piracies of the Moors.

April 13. Government dispatches were received on Tuesuay, at Mr. Dundas's office, Whitehall, from Sir Robert Boyd, governor general of Gibraltar, which mention, that all the inhabitants were well, and that they were plentitully supplied with provisions of every for fighting general Wayne the moment he moved; kind daily, from Spain and Algiers.

Several letters from Flanders state the loss of the French on the 29th ult. at Le Cateau, as nearly dou. ble of that which was stated in the Gazette. They are said to have left 900 dead on the field, besides the prisoners, the greater part of whom were severely wounded.

The Prussian general, Schweron, is said to have advanced in the environs of Warlaw, with two columns of 20,000 men.

Letters from Vienna, of the 22d ult. state, that the emperor will certainly set out to the Netherlands, to go through the ceremonies of inauguration at Brufsels, and to put himself afterwards at the head of his troops. His majesty's field equipage was preparing when the accounts came away.

During the emperor's absence, a regency will be established, under the guidance of the archduke Leopold, Palatinate of Hungary; princes Kaunitz and Stahremberg, and field-marshal Lasey, will be mem-

The prince of Saxe Cobourg, as major Maitland stated in the house of commons on Thursday, is to be superseded. The emperor is to take the command of the combined armies in person, and to be assisted by military council, at the head of which is general Mack. Such is the progress of a war against a people who, twelve months ago, were represented as incapable of finding troops, arms, ammunition, or provisions! All the great generals hitherto employed to fubdue them, the king of Prussia, the duke of Brunswick,

and we're plandering and musicous hands, maintailed general Warmier, the prince of Same Cobourg, have und that the British west creding gardious it the
