THE trustees of CHARLOTTE HALL SCHOOL give notice, they have appointed ELISHA JOHNSON, of Saint-Mary's county, their agent to collect and receive all balances due to the said school, either by subscription or otherwise. The building for the reception of masters and scholars being now half completed, all those indebted will please immediately pay their balances to Mr. Johnson, which will prevent the trouble and expence of instituting suits for the recovery of the same; the building is now going on and will certainly, in a few months time, be fully completed; several respectable names have lately been added to the number of trustees, whose exertions for the promotion of this laudable institution promise fair that it will in a short time become a flourishing seminary of learning. The trustees flatter themselves the same benevolent intention which induced gentlemen at a distance to subscribe will now urge them to pay the same without further trouble.
By order,

As I have recognised for the said negroes I conceive that I do not forfeit their services, nor lose any share of my authority over them, before trial; I do therefore promise the above reward to any person who will inform me where the aforesaid negroes may be found, and be witness against such persons as harbour or employ them, or TWENTY SHILLINGS for each one. I likewise forewarn all persons from harbouring or employing the said negroes at their peril, as I am determined to prosecute every such person agreeably to law.
