TREASURY of the UNITED STATES,

August 24th, 1795.

NOTICE is hereby given to all persons who are or
may be creditors of the United States, for any
sums of the funded debt, or stock, bearing a present in-
rest of six per centum per annum:

1st. That pursuant to an act of congress, passed on
the third day of March, 1795, entitled, "An act
making further provision for the support of public cre-
dit, and for the redemption of the public debt," there
will be reimbursed and redeemed, on the first day of
January ensuing, the rate or proportion of two per cen-
tum of the principal of the debt or stock, expressed in
the certificates issued to the said creditors respectively.

2d. The said reimbursements will be made at the
treasury of the United States, or at the loan offices
where the said stock may stand credited at the close of
the present year.

3d. The said reimbursements will be made to the
said creditors in person, or to their attorneys duly con-
stituted; but the powers of attorney which may be
produced must contain an authority to receive the said
reimbursement of principal, otherwise no more than the
usual dividend of interest will be paid; and although
the two per centum of principal to be redeemed, should
not be demanded, yet the interest thereon will cease
from the said first day of January next.

4th. To prevent the great trouble and expence which
would attend a renewal of the certificates, in conse-
quence of the said reimbursement of principal, it has
been determined that no renewal shall be made: And
further, that the certificates which may be issued during
the year one thousand seven hundred and ninety-six,
in consequence of any transfers of the said six per cent.
stock, shall notwithstanding the reimbursement of two
per centum, as aforesaid, be expressed for the
respective sums of the original capital stock. All per-
sons who may negotiate the funded six per cent. stock of
the United States, bearing a present interest, are therefore
cautioned to observe, that during the year one thousand
seven hundred and ninety-six, the value or true amount
of principal unredeemed of the said debt or stock, will
be ninety-eight per centum of the sums expressed in the
certificates.

Given under my hand at Philadelphia, the day and
year before mentioned, pursuant to directions of
the secretary of the treasury.

RAN AWAY from the subscriber, in the month
of May last, a mulatto woman named MARY,
about twenty-one years of age, she took her only child
with her, a handsome mulatto boy, about three years
old, it is supposed she is in the city of Annapolis, or
the neighbourhood thereof, as she has been seen about
three weeks ago in company with a certain CHARLES
CLEVIS, a free black, who it is probable will claim
her as his wife and pass her for a free woman. A re-
ward of THREE POUNDS will be given for se-
curing the said woman and child, and if brought
home reasonable charges, paid by

WILLIAM HARWOOD.
July 6, 1795.

seasoned white oak for the frame. The length of
keel between 28 and 32 feet, the beam 12 or 13 feet,

look swelled with knots on them, his feet are flat, or
rather a round instead of a hollow; he is about five
feet ten or eleven inches high, has a flat nose, and is
a smooth spoken fellow; he appears to be religious,
