THE debtors to the State of Maryland for confiscated property purchased, and others who have installed their debts, will please to observe, that their next instalment becomes due on the first day of December next, and it is expected that the payments will be made at the Treasury of the Western Shore on or before that day, otherwise process will certainly issue against every delinquent on the day following; it hath been a practice heretofore to delay issuing against the delinquents until after the 20th day of February following, as no such indulgence will be given for the ensuing instalment, I hope the debtors will be punctual in making their payments. In all cases where property is taken in execution for the use of the State, I shall fix a place and day of sale, where I shall attend in person to enforce the sale, unless payment be made.

The several county clerks will please to take notice, that agreeably to law their returns and payments should be made on the first day of November in each year, and as several of them have heretofore neglected to comply, I will certainly put the law in force against those who fail in making their returns and payments on the first day of November next.

The sheriffs are requested to pay up their respective balances on or before the first day of November next, otherwise I shall take immediate steps thereafter for the recovery of the same.
