JOHN F. BOWIE,

Prince-George's county, July 18, 1798.

REPORT. ADJUTANT-GENERAL'S OFFICE. Annapolis, June 26th, 1798.

WHEREAS the commander in chief did, on the 20th day of February, 1795, by his general orders, direct that there be a full and complete return of all the militia of this state, made and delivered at this office, on or before the 20th of June then next, and that the said return should be agreeably to the forms furnished by the adjutant-general. In pursuance of these orders, the adjutant-general did, on the 20th day of April following, address the major-generals of the several divisions, and forwarded to them the necessary blanks for the purpose of facilitating the returns agreeably to the said orders of the commander in chief, and the act of the general assembly of this state.

Few returns being made, the adjutant-general by directions of the commander in chief, did, on the 29th of November, 1796, require of the major-generals, information of the cause or causes which had, or might then exist, to prevent in so extraordinary a degree, the returns from being made.

Several similar directions were thought necessary by the commander in chief, and urged by the adjutant-general to the major-generals to expedite a complete return of the militia.

In this situation was the militia, on the 7th of August, 1797, when in consequence of a communication from the secretary of war, requiring the detachment pursuant to the act of congress, for the organizing, arming and equipping 5262 men from this state, to be in readiness to march at a moment's warning, the commander in chief judged it necessary to order that the adjutant-general should lay before the executive of the state, without delay, a full return of the militia. This order was also immediately made known to the major-generals.

On the 14th of the same month, the commander in chief ordered that the adjutant-general should call on the commanders of division to furnish without delay their quota required by the president of the United States, of this state, and agreeably to the proportions fixed by the executive of Maryland. These orders, and the proportions of the quota required from the several divisions were also forwarded, with other communications to the different commanders of division.

The adjutant-general, in obedience to the orders of the commander in chief, on the 23d of September, 1797, requested of the major-generals, that they would, as early as possible, forward to this office returns of the drafts in their respective divisions, mentioning the names, and ranks of the officers thereunto belonging. And on the second day of December, 1797, the adjutant-general by farther orders from the commander in chief, repeated the request to the major-generals, that he might be enabled to give the necessary information to the commander in chief, and to the president of the United States. Some of the officers have complied with these general orders.

GENERAL ORDERS.

The preceding orders in various instances having been ineffectually repeated, it is not without some degree of concern, that the commander in chief, from a sense of public duty, is constrained once more to renew them. He is sensible of the difficulties to be encountered in effecting their execution, arising from the manifold defects in the militia system, but he had flattered himself that the zeal of the officers would have surmounted them long before this time.

As the aspect of our public affairs is extremely hostile, and as a speedy call may be made for this corps of the militia, it is earnestly pressed by the commander in chief, upon all the officers, especially those whose immediate duty it is to exert themselves in completing the drafts, so as to be ready at a moment's warning.

The major-generals of the second and third divisions are directed to state to the commander in chief the causes of delay. In their absence out of the state, the eldest brigadier will attend to the discharge of this duty.

The adjutant-general will attend to the foregoing orders.

By order of the commander in chief,
HENRY CARBERY,
Adjutant-general.

Annapolis, June 27, 1798.

The following tract, lying in Anne-Arundel county, called St. James's Park, containing one hundred and fifteen acres and a half of land, lying on the turnpike road from Baltimore to Frederick town, and adjoining the Poplar Springs, is not sold at private sale before Saturday the nineteenth day of May next, will on that day be exposed to public sale, at the Poplar Springs; this land is well wooded, has excellent springs, lies level, and is in a very healthy part of the country. Having a number of tracts of land in several counties in this state, which I wish to dispose of, and for the convenience of those whom said lands may adjoin, the following gentlemen are authorized to contract for, and will give notice, describe, and shew the same, in Harford county, Mr. James Bond, at Belle-Air; in Washington county, Dr. Richard Pindell, at Hagar's town; and Mr. William Tong, near Hancock-town; in Worcester county, Mr. William Corbin; in Caroline county, Mr. John Young; in Dorchester county, Mr. John Craig; in Baltimore county, Mr. Elijah Merriam.
