

**FOR THE CURE OF
COUGHS, COLDS, ASTHMAS AND CON-
SUMPTIONS.**

Dr. Church's Cough Drops,

Is a medicine unequalled by any in the world, prepared (only) by the inventor and sole proprietor,
DR. CHURCH, FROM LONDON,
At his medicine Office, No. 1, South Third-street,
(next Market) Philadelphia,
And at his house New-York.

The following cases are subjoined as proofs of its efficacy, selected from a number amounting to upwards of **ONE THOUSAND!**

AFFIDAVIT.

Jacob Macpherson of Paternoster Row, Spital-fields, voluntarily maketh oath before me, that he was grievously afflicted with a violent cough, shortness of breath, pain in his breast, loss of appetite, night sweats, and constantly expectorated a very considerable quantity of glutinous matter, could not go to rest on account of the difficulty of breathing, but used to be propped up in his bed by pillows—he laboured under this afflicting malady for upwards of eight years; his constitution was emaciated to an alarming degree, and his body greatly wasted and fallen away— that after having the advice of many medical gentlemen, without receiving any essential relief, he applied to Dr. James Church, Finsbury Square, and by taking his medicine, called Church's Cough Drops, and attending to his advice he is now restored to perfect health, nor has he a single symptom of his disorder remaining.

JACOB MACPHERSON.

Sworn before me at the Mansion-house, London, this 10th day of April, 1797.

BROOK WATSON, Mayor.

Letter from Baron Montrose, Esq; Devonshire-street, Portland place, London, addressed to Dr. Church.

Dear Sir,

As you think the publication of my case may tend to your good, I cheerfully consent to your making use of it, out of respect to you, as well for the benefit of mankind, as I think it cannot be too universally known, in the year 1779 I caught a severe cold, which settled upon my lungs—this brought on a violent cough, pain, and tightness across my breast, and shortness of breath. I used to expectorate a frothy, though latter a quantity of glutinous matter, which owing to the violence of the cough, used some times to be mixed with blood. I have had the advice of some of the first physicians in England, whose prescriptions afforded me little more than temporary relief. In consequence of hearing that col. Glover, of Portland place, had been astonishingly relieved by taking your cough drops, I was induced (having before an aversion to advertised remedies) to give your medicine a fair trial and am happy to make known to the world, that I am restored to perfect health by taking it, after having suffered a martyrdom for upwards of 15 years.

I am, dear Sir, your's sincerely,

B. MONTROSE.

Devonshire-street, May 6, 1797.
To Dr. Church.

ANOTHER STRONG PROOF,

Of the great and unparalleled efficacy of
DR. CHURCH'S COUGH DROPS,

In the cure of

Coughs, Colds, Astmas and Consumptions.

New York, July 10, 1798.

To Dr. Church,

Sir,

For upwards of *twelve years*, I have laboured under a severe cough, shortness of breath, spitting up of matter from my lungs and often of clotted blood, till at length I was reduced as to be unable to walk across my room, and owing to the violence of my cough and the shortness of my breath, could get no rest day or night. Hearing of your excellent medicine, the Cough Drops, I procured a bottle; I took a dose as soon as I got it, from which I found instantaneous relief, and by continuing it for three days, I bless God I am restored to perfect health. As I believe you to have been the instrument in the hands of Providence of saving my life, I must intreat you to publish this for the benefit of any who may be in my situation, as I am confident it is one of the best medicines in the world for those complaints.

I am, Sir, your grateful servant,

NICHOLAS STAGG,

Little Robinson-street.
