

6n of the Russian and Turkish troops which had been destined against Palawan Oglu, had proceeded to join the Pacha of Acre, who assures the Porte that Buonaparte, notwithstanding the strong fortifications which he has constructed for his defence, would shortly be in his power.

The Hamburg gazette of the 19th inst. states, that on the departure of the mail from Vienna, a report was general there, that two English regiments, under the orders of general Doyle, aided by a strong corps of Russians and Turks, had landed at Salerno, and in conjunction with the Lazzaroni, attacked and retaken Naples from the French.

March 26.
The defeat confirmed.

Yesterday morning a cartel arrived at Dover from Gravelins, with sixty-one masters and mates of merchantmen—These persons bring a confirmation of the defeat of the French by the Austrians in the Grisons country. Their account adds, that the French had experienced a very severe defeat indeed.

Yesterday two persons of the names of Pierrepoint and Mitchell, who represent themselves to be American merchants, were arrested at their apartments in Surrey-street, Strand, by Savers and Townsend, two of the Bow-street officers, under authority of a warrant from the secretary of state, on suspicion of being concerned in the treasonable practice.

Mr. Mitchell's servant, a Frenchman, was also taken into custody and committed to the house of correction, Cold Bath Fields. Mr. Pierrepoint and Mr. Mitchell were committed to the care of different managers.

A large quantity of papers, &c. were seized and brought away by the officers.

The undersigned, secretary of state of his Britannic majesty, has received his majesty's commands to acquaint Mr. King, minister plenipotentiary of the United States of America, that the king, judging it expedient to avail himself of the superiority of his naval forces for the defence of his dominions, has signified his commands to the lords commissioners of the admiralty, to cause the most rigorous blockade to be established at the entrance of all the ports of Holland, which will be maintained and enforced in the strictest manner, according to the usages of war, acknowledged and observed in similar cases.

Mr. King is therefore requested to apprise the American consuls and merchants, residing in England, that the above-mentioned ports of the United Provinces, are, and must be considered as being, in a state of blockade; and that from this time no neutral vessel can be suffered to enter them upon any consideration, or under any pretence whatever; and that all the measures authorised by the law of nations, and the respective treaties between his majesty and the different neutral powers, will henceforth be adopted and executed, with respect to vessels destined for the said ports, or such as shall attempt to enter them after this notice.

A QUANTITY of choice SHAD and HER-RINGS, in barrels, for SALE, by WILLIAM W. BREWER, at Mr. Wharfe's.

May 23, 1799.

Sale by auction.

One hundred lots of ground in the centre of the city of Baltimore.

THE subscribers propose selling at auction, upon the premises, on Friday the 28th day of June next, at 10 o'clock, one hundred lots of ground, on the east side of Jones's Falls, fronting on President and other new streets, lately laid off on and contiguous to that beautiful navigation now completing at the mouth of the said falls, where a handsome new bridge is erected on Pratt-street, leading into the above property.

Jones's Falls takes its rise in rich limestone land, about ten miles from the city, and passing rapidly through a fine but hilly country, (supplying a great number of water works in its course,) runs through the middle of the city, in a fine, fresh, lively, constant stream, into the harbour; a circumstance of peculiar advantage in our climate, in point both of utility and healthfulness, it being upwards of one hundred feet wide at Pratt-street bridge, and gradually increases to the width of one hundred and fifty feet where it empties into the harbour.

A reference to the plot, which may be seen at Yates and Campbell's auction room after the 10th day of June, will clearly shew the many advantages of the above property, which is situated in one of the most healthy parts of Baltimore, and remarkable for the purity and softness of spring water.

Some of the lots will be sold in fee-simple, on a liberal credit, and others on lease for 99 years, renewable for ever, the particulars of which will be made known at the time of sale.
