Joseph Court and Thomas H. Lyles,
against
Alexander Hamilton Smith, Mary Hamilton Smith, John Thomas Smith, Philemon Smith, Upton Sheridan Smith, Hamilton Smith, Sarah L. C. Smith, Elizabeth Chew Lyles, heirs of Mary Lyles, and Samuel Chew, administrator of Mary Lyles.

THE object of the petition is to obtain a sale of the real estate which belonged to Mary Lyles, deceased, for the payment of her debts, and it is stated by the petitioner, that the said real estate descended equally to the defendants named as heirs; it is stated also, that the defendants Alexander Hamilton Smith, Philemon Smith, Hamilton Smith, and John Thomas Smith, have since the filing the petition removed out of this state, and are beyond the reach of this court; it is therefore, on the complainants' notice, adjudged and ordered, that he cause a copy of this order to be inserted at least three times in the Maryland Gazette before the 12th day of July next, to the intent that the defendants, which are out of the state, may have notice of the complainants' applications, and of the substance and object of the bill, and may be warned to appear here in person, or by a solicitor, on or before the twelfth day of November next, to shew cause wherefore a decree should not pass as prayed.

Sale by auction.
One hundred lots of ground in the centre of the city of Baltimore.

THE subscribers propose selling at auction, upon the premises, on Friday the 28th day of June next, at 10 o'clock, one hundred lots of ground, on the east side of Jones's Falls, fronting on President and other new streets, lately laid off on and contiguous to that beautiful navigation now completing at the mouth of the said falls, where a handsome new bridge is erected on Pratt street, leading into the above property.
 Jones's Falls takes its rise in rich limestone land, about ten miles from the city, and passing rapidly through a fine but hilly country, (supplying a great number of water works in its course,) runs through the middle of the city, in a fine, fresh, lively, constant stream, into the harbour; a circumstance of peculiar advantage in our climate, in point both of utility and healthfulness, it being upwards of one hundred feet wide at Pratt street bridge, and gradually increases to the width of one hundred and fifty feet where it empties into the harbour.
 A reference to the plot, which may be seen at Yates and Campbell's auction room after the 10th day of June, will clearly shew the many advantages of the above property, which is situated in one of the most healthy parts of Baltimore, and remarkable for the purity and softness of spring water.
 Some of the lots will be sold in fee-simple, on a liberal credit, and others on lease for 99 years, renewable for ever, the particulars of which will be made known at the time of sale.

THOMAS YATES.

The subscribers being appointed trustees for the purpose of selling and conveying so much of the real estate of the late deceased major-general **SMALLWOOD** as may be necessary to discharge his debts, will **OFFER** for **SALE**, on Monday the 15th of July next, if fair, if not the first fair day thereafter,
SUNDRY LANDS belonging to the estate of the said deceased, consisting of eight or ten thousand acres, lying in Charles county, and situate chiefly on the Mattawoman creek, within a very few miles of the Patowmack river; as those lands are composed of a variety of tracts or parcels of different contents and descriptions, it is not in the power of the trustees particularly to designate them in an advertisement, but it can be said with certainty that they are well adapted to planting and farming, abound in good water, and are well stocked with timber and wood, besides a number of them having the advantage of fisheries equal to any in Maryland. The sale will commence at a place on the Mattawoman creek, well known by the name of Brawner's Mill, at 12 o'clock, on the day above mentioned, and will be continued from day to day, until it is completed, at such places as may then be made known by the trustees. Purchasers will be required to give bond, with good security, to the trustees for the amount of the purchase money, the one half thereof payable, with interest, within one year, and the residue, with interest, within two years from the time of sale. Possession will be given on the first of January next, and deeds executed to the respective purchasers when the whole of the money is paid, and not before. The said lands will be sold in such tracts or parcels as may appear to the trustees best to answer the design of the sale, and every information respecting them given at the time of sale that may come to the knowledge of the trustees.

HENRY H. CHAPMAN.
