

**JUST RECEIVED,**

From LEE's and Co. Patent and Family Medicine  
Store Baltimore, and for sale by  
**GIDEON WHITE, Annapolis.**  
Dr. HAMILTON's celebrated  
**WORM DESTROYING LOZENGES.**

The astonishing success which has constantly attended the administration of this medicine, emboldens the proprietor to offer a return of the purchase money whenever the desired effects are not produced. Indeed a single instance of their failure has not come to his knowledge, where the printed directions have been followed.

A tenth part of the evidence already detailed to the public, is sufficient to convince even the most prejudiced, that this medicine is so certain in its operation, and so salutary in its effects, as to claim the highest degree of confidence from the afflicted, or those otherwise interested in the cure or prevention of all disorders of the stomach and bowels, especially those resulting from worms.

The proprietor offers to the inspection of every applicant, a list of cures with the particulars, longer he is persuaded than any one will be at the trouble of reading.

**AFFIDAVIT OF RECENT CURES.**

**MICHAEL DUFFEY**, residing at No. 47, Wilke's Street, Fell's Point, in the city of Baltimore, voluntarily *maketh oath*, that the following statement is just and true.

In the beginning of May last, my three children, a boy of seven, and two girls, the one five and the other three years of age, were taken very ill, nearly at the same time, of a common fever, as I then supposed; but was soon convinced the disorder was caused by worms—they were frequently troubled with convulsion fits, and violent startings in their sleep, and with almost continual vomiting and purging, particularly the youngest. I made immediate application to a physician of the first reputation, and his medicines were administered with a confidence of success which only increased our disappointment. The children grew daily worse, and I was absolutely without hopes of their recovery. The youngest soon appeared almost devoid of animation, and scarcely an inhabitant of this world. In this distressing moment, I was told that HAMILTON'S WORM DESTROYING LOZENGES had performed many cures in cases equally desperate—I immediately purchased a box, and gave each of them a dose, which in a few hours produced the most desirable effects; the eldest voided a great number of very large worms, and the second, thousands of small ones, many of them not a quarter of an inch long—in the youngest they seemed to be consumed, and had the appearance of skins and of slimy matter. I repeated the dose agreeable to the paper of direction, and they all speedily recovered a good state of health, which they still enjoy, though five months have nearly elapsed since they were on the borders of the grave, and the death of the whole appeared to be inevitable.

Sworn before me this 25th day of Sept. 1799.  
J. SMITH.

**ESSENCE OF MUSTARD,**

FOR the cure of rheumatism, gout, rheumatic gout, palsy, lumbago, numbness, white-swelling, chilblains, sprains, bruises, acute and chronic rheumatism.

(Prepared in pills, and in a fluid state for external use.) This remedy has performed more cures in the complaints than all the medicines ever before made public—it eminently contains the medicinal properties of mustard, concentrated in a small compass, and entirely freed of the impurities so abundant in its crude state—the virtues of other powerful anti-rheumatic are combined with it, and render its efficacy unequalled.

**THE PILLS**

Strengthen the tone of the stomach, remove cold or windy complaints, promote the circulation of the blood, and insensible perspiration, and by throwing off the redundant humours of the body in this salutary manner, effectually relieve the most inveterate rheumatism, gout, palsy, dropsy, &c.

**The FLUID ESSENCE**

from its warm and penetrating nature, excels every other application for sprains, bruises, chilblains, numbness, weakness of the joints, white-swelling, pains of the back, and rheumatic complaints of every description.

A single bottle or box (or both as the case may require) will prove a complete remedy in slight or recent complaints, and has never been known to fail, when persisted in, to effect a permanent cure in any case whatever.

**SOVEREIGN OINTMENT FOR THE ITCH,**

*Warranted an infallible and immediate cure, at once using.*

Being the most speedy, effectual, and pleasant remedy ever offered to the public, and for the satisfaction of the timorous, the proprietor *maketh oath*, that this ointment doth not contain a single particle of mercury or any other pernicious ingredient in its composition, and may be used with the most perfect safety by pregnant women and on infants newly born.

**PATENT**

**INDIAN VEGETABLE SPECIFIC,**

For the cure of

*Veneral complaints of every description.*

An extensive trial of near four years has proved the Vegetable Specific to be effectual in expelling the venereal virus, however deeply rooted in the constitution, and has restored health to many who have been brought to the grave, by the improper administration of mercury. Within this period upwards of four thousand patients have experienced its salutary effects.

With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time, and with the least inconvenience possible.

Those who wish to purchase any of the above articles are cautioned against the imposition of inferior medicines, and to inquire for them only of *Mr. Gideon White*.

Wholesale purchasers allowed a liberal profit by addressing to Rd. Lee, and Co. Baltimore.

**DANCING** being that which gives graceful motions all the life, and above all things manliness and a becoming confidence to young children, I think it cannot be learned too early, when they are once of an age and strength to be taught. But you must be sure to have a good master, that knows and can teach what is graceful and becoming: one who teaches not this, is worse than none at all.
