I will pay **EIGHT DOLLARS** to any person that will bring her home, or secure her so that I get her again.

JOHNZEE SELLMAN.
January 17, 1800.

To the citizens of St. Mary's, Charles, and Calvert counties.

Gentlemen,

THE next election of electors of the president and vice-president of the United States, two of the most elevated and responsible offices under the general government being not far distant; feeling a solicitude for the issue, and a continuance of those blessings every class of the community have felt under our present happy constitution, and the wise and virtuous administration under it; being persuaded the political sentiments of the citizens of the first district of Maryland are in unison with my own on this interesting business, I have thought proper to offer myself a candidate for the next election of electors, to represent you in the election of president and vice-president; should I have the honour of meeting your approbation, I shall use my best endeavours to discharge the important trust with honesty and integrity.

I am, with high respect,

Gentlemen,

Your most obedient servant,
EDMUND PLOWDEN.

DR. HAMILTON'S celebrated
WORM DESTROYING LOZENGES.

The astonishing success which has constantly attended the administration of this medicine, emboldens the proprietor to offer a return of the purchase money whenever the desired effects are not produced. Indeed a single instance of their failure has not come to his knowledge, where the printed directions have been followed.

A tenth part of the evidence already detailed to the public, is sufficient to convince even the most prejudiced, that this medicine is so certain in its operation, and so salutary in its effects, as to claim the highest degree of confidence from the skilled, or those otherwise interested in the cure or prevention of all disorders of the stomach and bowels, especially those resulting from worms.

The proprietor offers to the inspection of every applicant, a list of cures with the particulars, long as he is persuaded than any one will be at the trouble of reading.

AFFIDAVIT OF RECENT CURES.

MICHAEL DUFFEY, residing at No. 47, Wilke's street, Fell's Point, in the city of Baltimore, voluntarily *maketh oath*, that the following statement is just and true.

In the beginning of May last, my three children, a boy of seven, and two girls, the one five and the other three years of age, were taken very ill; nearly at the same time, of a common fever, as I then supposed; but was soon convinced the disorder was caused by worms—they were frequently troubled with convulsion fits, and violent startings in their sleep, and with almost continual vomiting and purging, particularly the youngest. I made immediate application to a physician of the first reputation, and his medicines were administered with a confidence of success which only increased our disappointment. The children grew daily worse, and I was absolutely without hopes of their recovery. The youngest soon appeared almost devoid of animation, and scarcely an inhabitant of this world. In this distressing moment, I was told that **HAMILTON'S WORM DESTROYING LOZENGES** had performed many cures in cases equally desperate—I immediately purchased a box, and gave each of them a dose, which in a few hours produced the most desirable effects; the eldest voided a great number of very large worms, and the second, thousands of small ones, many of them not a quarter of an inch long—in the youngest they seemed to be consumed, and had the appearance of skins and of slimy matter. I repeated the dose agreeable to the paper of direction, and they all speedily recovered a good state of health, which they still enjoy, though five months have nearly elapsed since they were on the borders of the grave, and the death of the whole appeared to be inevitable.

Sworn before me this 26th day of Sept. 1799.

ESSENCE or MUSTARD,

FOR the cure of rheumatism, gout, rheumatic gout, palsy, lumbago, numbness, white-swelling, chilblains, sprains, bruises, acute and chronic rheumatism.

(Prepared in pills, and in a fluid state for external use.)

This remedy has performed more cures in the complaints than all the medicines ever before made public—it eminently contains the medicinal properties of mustard, concentrated in a small compass, and entirely deprived of the impurities so abundant in its crude state—the virtues of other powerful anti-rheumatic are combined with it, and render its efficacy unequalled.

THE PILLS

strengthen the tone of the stomach, remove cold or windy complaints, promote the circulation of the blood, and insensible perspiration, and by throwing off the redundant humours of the body in this salutary manner, effectually relieve the most inveterate rheumatism, gout, palsy, dropsy, &c.

The FLUID ESSENCE

from its warm and penetrating nature, excels every other application for sprains, bruises, chilblains, numbness, weakness of the joints, white-swelling, pain of the back, and rheumatic complaints of every description.

A single bottle or box (or both as the case may require) will prove a complete remedy in slight or recent complaints, and has never been known to fail, when persisted in, to effect a permanent cure in any case whatever.

SOVEREIGN OINTMENT FOR THE ITCH,

Warranted an infallible and immediate cure as once using.

Being the most speedy, effectual, and pleasant remedy ever offered to the public, and for the satisfaction of the timorous, the proprietor *maketh oath*, that this ointment doth not contain a single particle of mercury or any other pernicious ingredient in its composition, and may be used with the most perfect safety by pregnant women and on infants newly born.

PATENT

INDIAN VEGETABLE SPECIFIC,

For the cure of

Veneral complaints of every description.

An extensive trial of near four years has proved the Vegetable Specific to be effectual in expelling the venereal virus, however deeply rooted in the constitution, and has restored health to many who have been brought to the grave, by the improper administration of mercury. Within this period upwards of four thousand patients have experienced its salutary effects.

With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time, and with the least inconvenience possible.

Those who wish to purchase any of the above articles are cautioned against the imposition of inferior medicines, and to inquire for them only of *Mr. Gideon White*.

Wholesale purchasers allowed a liberal profit by addressing to Rd. Lee, and Co. Baltimore.

NOTICE is hereby given, that the subscriber intends to apply to the Baltimore county court, to be held in April next, for a commission to mark and bound the **MOUNT CLARE**, or **GEORGIA PLANTATION**, as also a tract of land called **BOND'S PLEASANT HILLS**, all situated near the city of Baltimore, agreeably to the provisions contained in the act of assembly, passed at November session, 1786, entitled, An act for marking and bounding lands; and the several supplements thereto.
