QUESTIONS

To Merchants, Store-keepers, and Tradersmen in general, &c.

1st. PRAY Gentlemen, is a perfect standard of discount, or interest, calculated on every dollar (without exception) from 1 to 2,000 from one day to sixty-four days inclusive, at six per cent. with notes for 7, and 8 per cent. of any value; whether used as a standard, or as a check upon the inquirer's own calculations?

2d. Is it of any importance to know the best methods of computing the exchanges, between this country and the principal maritime trading places in Russia, Sweden, Denmark, Norway, Prussia, Poland, Germany, Holland, Flanders, Spain, Portugal, Italy, in several of the Windward and Leeward West-India Islands, and many ports in the East-Indies?

3d. Is a table of all the coins and monies of account, in the places aforesaid, of any use?

4th. Are the coins and monies of account, in the aforesaid places, when reduced to dollars and cents, of any service?

5th. Is the table of compound interest of any utility?

6th. Is the table, by which the banks determine the value of gold, desirable?

7th. Is the amount of interest, accurately calculated for each month from one to twelve months, on every dollar (without exception) from 1 to 2,000, of any value?

8th. Is a table of all the post-towns in the United States, and rates of postage therewith, of any use?

9th. Will not all these together make a book, as generally useful and convenient as ever entered a counting house or store?

10th. Will not the whole, when comprized in a quarto volume of from 200 to 250 pages, be worth two dollars?

And lastly, Is the person, who at the expence of FOUR THOUSAND DOLLARS undertakes to perform upwards of one hundred and sixty thousand calculations of interest, and of giving all the preceding information to the public in the most complete manner, deserving of your ENCOURAGEMENT and SUPPORT?

If the answer is in the affirmative, you are individually and respectfully invited to subscribe in one of the specimen-books, exhibited at the Treasury, Mr. Caton's tavern, and at the Printing-Office.

It is proper to state, that the work will not be executed, unless fifteen hundred subscribers are obtained; for four thousand dollars is too much to hazard.

NOTHING IS TO BE PAID IN ADVANCE, neither will it be expected of subscribers to take the work when published, if it is not delivered rigorously conformable to my agreements with the public, expressed in the conditions affixed to the specimen books, each of which consists of six detached pages of the work.

I am, with great respect,

Gentlemen,

Your humble servant,

The WILL OF

George Washington.

NOTICE is hereby given to all whom it may concern, that on the first Monday in May next I intend to give my right and title to a tract or parcel of land, lying and being in Charles county, Maryland, called and known by the name of Non-such, which formerly belonged to NORRIS MADDOX, deceased, therefore, if there should be any person that pretends to set up any claim to said land, they are hereby requested to attend on said land, agreeable to this notice, and make it appear according to law.
HENRY MADDOX.

HIGH FLYER,

Will stand to cover mares this season at South River ferry, four miles from Annapolis, from the 15th of April to the 15th of July, at twenty dollars each, if credit is required; or fifteen dollars cash, and one dollar to the groom; the money is sent with the mares, or paid by the end of the season.

HIGH FLYER is fifteen hands high, a blood bay, with a star and one white foot, and is the largest full bred horse ever imported into this country. The owners of this horse's colts have been offered from 600 to 1000 dollars for them, both in Pennsylvania and Maryland. High Flyer was bred by Richard Tatterfall, got by his High Flyer, which won upwards of 7000 guineas, and was never beat. Thistle, the dam of High Flyer, was got by Syphon, she was the dam of Mr. Hutchison's Thistle, which was a good runner, his grand-dam by Cade, she was the dam of Mr. Shaftoe's Hunter Omnium, Herald, and Miss Barloth, his great-grand-dam by Partner, she was the dam of Toy, Madam, the dam of Twig, Drowsey, Torismond, Alcider, the dam of Young Cade, the dam of Omnium Filly, by Cade, the dam of Prieten and Villager; all capital runners, his great great-grand-dam by Matchlets; great great-great-grand-dam by Brimmer, his great-great-great-great-grand-dam by Place's White Turk, and out of a Layton Barb mare.

LEEBOO, the first colt of High Flyer's get, that has started, out of a full bred mare, won three races in as many days last fall, ought to enhance this horse's stock. The most capital stud horses in England do not get one colt in ten good runners. The reason of High Flyer's standing this season at fifteen dollars each mare is the want of money in this state; if High Flyer was in England, and so capital a colt as Leeboo had made three such races, High Flyer would have stood at twenty guineas each mare. Good girls will be provided for mares at 2/6 per week, every attention paid them, but will not be answerable for accidents or escapes.

JOHN CRAGGS.

Nothing more certain than TAXES,

SO says every one, and we all agree that they must be paid, but differ a little as to the time of payment; I say, and for unquestionable reasons, it ought to be made early in the year, many erroneously think they may claim indulgence till the fall; and there are, perhaps a few still more unreasonable. The people of this county, however, deserve much credit, for they generally pay county charges with cheerfulness, but I would recommend it to them to discharge their assessment some months sooner in the year than has hitherto been the practice, positively the result would be to their advantage.

I wish it to be generally known that the accounts for the year 1799 are now due, they are ready for delivery; and shall be distributed as speedily as possible, shortly thereafter I shall proceed, as the law directs, to complete the collection; in the mean time I request and trust men will make early provision, and, if called from home, leave the money with some one of the family for the collector—to find the people thus prepared would really afford him great satisfaction.

Those who attended the collector's meetings last year, and others who paid their accounts in Annapolis, will please to accept my thanks; it is intended to pursue the same mode this year, of which timely notice shall be given.

WILLIAM ALEXANDER.

Many, I trust, will find it both agreeable and convenient to settle their accounts in Annapolis—in my absence James Mackubin, Esq; will receive money for me and give receipts.

Fifteen Dollars Reward,

RAN away from the subscriber, living in Anne Arundel county, on the 21st of February, a negro man, named DICK, about forty years of age, five feet six inches high, round full face, large eyes, very bow legged, slow of speech, and fond of smoking a pipe, he is a methodist preacher, took along with him a country cloth coat, and one grey coloured, and breeches, two cloth shirts, one kersey coat and trousers, shoes nailed. Whoever takes up the said negro, and secures him in any goal, shall receive the above reward, and if brought home all reasonable charges, paid by me.
HUGH DRUMMOND.
