AT a meeting of the trustees of St. John's College it was resolved, that on the 13th day of May next shall be appointed a professor of English and grammar, who shall receive for his services at the rate of £. 200 per annum, to be paid quarterly.

The duty of the said professor, and his assistant, is to teach the English language grammatically, and to carry students through the Latin grammar, the vocabulary, and Corderius, so as to prepare them for being placed under the professor of languages—every student under him is to be taught writing; and those students who are not destined for a superior education are, at the request of their parents and guardians, to be taught arithmetic and other branches of the mathematics usually taught in English schools.

In case the present assistant shall be appointed professor, the vacancy occasioned by his promotion will on the same day be filled. The salary of the said assistant is £. 150. to be paid quarterly.

By order of the visitors and governors of said college,
A. C. HANSON.

I WILL SELL the several LOTS which I hold in this place, including my dwelling house, with a convenient store, nearly adjoining, upon a credit of one, two, and three years; or I will exchange a part or the whole for lands any where in Charles county, on a fair valuation. Two of these lots have comfortable houses for small families, the others small buildings that would answer for mechanics; the whole now under rent. I will also sell, on a credit of six months, several valuable house servants, among them a good plain cook, a family, consisting of a man, (who is a blacksmith) his wife, and two children, and a handsome chariot and harness, with or without a pair of strong, stout, servicable horses.

Whoever takes up and secures said fellow in any goal, so that I get him again, shall receive the above reward, paid by

THOMAS GIBBS, living near Queen Anne.

NOTICE.

ALL persons indebted to the estate of Dr. ALEXANDER EDMONSTON, late of Anne Arundel county, deceased, are requested to make speedy payment, and those having claims are desired to bring them in, legally attested, that they may be discharged.

THOMAS EDMONSTON, Administrator.

FOR SALE,

A COACHEE and harness, with or without a pair of HORSES. Also a large handsome horse, fit for the saddle or draught. Inquire of the printer.

Annapolis, March 4, 1800.

HIGH FLYER,

Will stand to cover mares this season at South River ferry, four miles from Annapolis, from the 15th of April to the 15th of July, at twenty dollars each, if credit is required, or fifteen dollars each, and one dollar to the groom, if the money is sent with the mares, or paid by the end of the season.

HIGH FLYER is sixteen hands high, a blood bay, with a star and one white foot, and is the largest full bred horse ever imported into this country. The owners of this horse's colts have been offered from 600 to 1000 dollars for them, both in Pennsylvania and Maryland. High Flyer was bred by Richard Tattersall, got by his High Flyer, which won upwards of 7000 guineas, and was never beat. This is the dam of High Flyer, was got by Syphon, she was the dam of Mr. Hutchison's Thistle, which was a good runner, his grand-dam by Cade, she was the dam of Mr. Shaftoe's Hunter Omnium, Herald, and Miss Barboth, his great-grand-dam by Partner, she was the dam of Toy, Madam, the dam of Twig, Drowsey, Torismond, Alcides, the dam of Young Cade, the dam of Omnium Filly, by Cade, the dam of Prioten and Villager, all capital runners, his great great-grand-dam by Matchless, great-great-great-grand dam by Brimmer, his great-great-great-grand-dam by Place's White Turk, and out of a Layton Barb mare.

LEEBOO, the first colt of High Flyer's get, that has started, out of a full bred mare, won three races in as many days last fall, ought to enhance this horse's stock. The most capital stud horses in England do not get one colt in ten good runners. The reason of High Flyer's standing this season at fifteen dollars each mare is the want of money in this state; if High Flyer was in England, and so capital a colt as Leeboo had made three such races, High Flyer would have stood at twenty guineas each mare. Good grass will be provided for mares at 3/6 per week, every attention paid them, but will not be answerable for accidents or escapes.

JOHN CRAGGS.
