A fresh supply of the following valuable medicines:
Dr. HAMILTON'S

GRAND RESTORATIVE,

IS recommended as an invaluable medicine, for the speedy relief and permanent cure of the various complaints which result from dissipated pleasures—juvenile indiscretions—residence in climates unfavourable to the constitution—the immoderate use of tea, frequent intoxication, or any other destructive intemperance—the unskilful or excessive use of mercury—the diseases peculiar to females, at a certain period of life—bad layings in, &c. &c.

And is proved by long and extensive experience to be absolutely unparalleled in the cure of—nervous disorders, consumptions, lowness of spirits, loss of appetite, impurity of the blood, hysterical affections, inward weaknesses, violent cramps in the stomach and back, indigestion, melancholy, gout in the stomach, pains in the limbs, relaxations, involuntary emissions, femal weaknesses, obstinate gleet, fluor albus, (or whites) impotency, barrenness, &c. &c.

This medicine is perfectly different in its qualities and operation from those hot and irritating drugs so frequently proposed for similar purposes, and which only recommend themselves by the dangerous rapidity of their effects, and which acting as temporary, but violent stimulus on the nervous system infallibly produce greater evils than those they are intended to remove.

The principal operation of this remedy is in the stomach, restoring the digestive powers, and sending from that organ new health and vigour into every part of the system; it enriches and purifies the blood without inflaming it; braces, without stimulating too violently the nervous system; strengthens the secretory vessels and the general habit; brings back the muscular fibres to their natural and healthy tone; and restores that nutrition which immoderate evacuations have destroyed, and whose loss had thrown the whole frame into languor and debility.

The restorative is absolutely above all recommendation in removing those weaknesses and infirmities with which many females are afflicted, the consequences of difficult and painful labours, or of injudicious treatment therein.

The most obstinate femal gleet; and the most distressing cases of fluor albus in females fall particularly under the province of this restorative—speedily yield to its benign operation, and are radically cured, by correcting and purifying the acrimonious humours, restoring a proper degree of tension to the relaxed fibres, and strengthening the weakened organs.

In cases of extremity where the long prevalence and obstinacy of disease has brought on a general impoverishment of the system, excessive debility of the whole frame, and a wasting of the flesh which no nourishment or cordial could repair, a perseverance in the use of this medicine has performed the most astonishing cures.

The grand restorative is prepared in pills as well as in a fluid form, which assists considerably in producing a gradual and lasting effect. Their virtues remain unimpaired for years in any climate.

Dr. HAMILTON'S

Genuine Essence and Extract of Mustard.

FOR the cure of rheumatism, gout, rheumatic gout, palsy, lumbago, numbness, white swellings, chilblains, sprains, bruises, acute and chronic rheumatism.

Many persons have been much disappointed by purchasing medicines under the name of Essence of Mustard, which are perfectly different from this remedy—the superior qualities of which Dr. Hamilton begs leave to prove by the following cures, selected from a numerous list.

From captain Daws, Arch-street, Philadelphia.

Dear Sir,

AS you think it will be useful, you are at liberty to publish my testimony in favour of Hamilton's Essence and Extract of Mustard.

I have been about four years much afflicted with the rheumatism in my shoulders, and sometimes so violently affected as to prevent me from moving my arms, and I was never free from severe pain in some part or other.—I have been at much expence, and tried a good deal of medicine to no purpose; I purchased a bottle of drops, advertised under a title similar to your medicine, but experienced the most excruciating smart from its application, which obliged me to desist.—At length I was advised by Dr. Biggs to try Hamilton's Essence and Extract of Mustard, from which I found immediate relief, and by the use of three boxes and two bottles, I have recovered a state of perfect health and strength.—I shall take a good supply to sea, and never be without so valuable a medicine in my possession.

October 4, 1799;

I am, &c.
 J. R. Daws.

From Mr. Charles Willet, Plasterer, Pratt Street, Baltimore.

Sir,

I SEND you the particulars of my cure by Hamilton's Essence and Extract of Mustard, that you may make it known for the benefit of others.—About two months ago I strained my right knee so violently by a fall that I was unable to walk without a crutch, I tried Dr. Smith's oil, opodeldoc and other medicines, but grew considerably worse, and the pain became in-

flamed and swelled to a considerable degree, when I was recommended to the Essence of Mustard, and by using two bottles I was able to walk in less than a week, and am now as hearty as ever.

CHARLES WILLET.

Mr. Henry Reece, Butcher, Proprietor of No. 24, Centre market-house, Baltimore.

Sir,

ABOUT two months ago, your valuable medicine proved of singular service to me, I was not able to move from my room for upwards of a fortnight, with the rheumatism or rheumatic gout in my left foot and ankle, when Dr. Buchanan recommended the Essence of Mustard, as the only medicine to be depended on, and directed me where to procure it, and by using less than a quarter of a bottle and a few of the pills, I was able to ride to market next day, and have been perfectly free from my complaint ever since.

HENRY REECE.

The LAWS
OF
MARYLAND,
 Passed November Session, 1799.

Thirty Dollars Reward.

RAN away from the subscriber living on the north side of Severn river, in Anne-Arundel county, on Thursday the 10th instant, a negro man named **GEORGE WILLIAMS**, of a yellow complexion, 32 or 34 years of age, 5 feet 6 or 8 inches high; has a round full face, stout made, and walks upright; is smooth spoken, but a great liar, he is fond of playing on the violin, commonly wears his hair plaited and queued; had on when he ran off a blue jacket, osnabrig shirt, short white country cloth breeches, and good shoes: he is of a saucy disposition, but if seriously spoken to is a great coward. I bought him of Mr. Albright, who had him of Mr. Walker, near Patapco ferry; he took an axe and wedges with him: I expect he will go to cut wood, and pretend he is free; he stole a batteau in Dividing creek; I suppose he will cross the bay and go on the eastern shore, or may be to Baltimore, from thence push for Pennsylvania: He went away with a negro man who calls himself **JOSHUA JOICE**, a free man, but he confesses to some of my people he was a slave and sold from the eastern shore to Georgia, and ran away from there to this country; he is above 6 feet high, stout made, of an uncommon strength, wanting two fore teeth, one above and one below, speaks very slow, and very lazy; dressed with a blue jacket, beaver hat, osnabrig shirt, white country cloth narrow trousers, very old shoes and stockings, his hair plaited and queued likewise, of a yellow complexion; if they do not push for Pennsylvania will cut wood some where, but they will be known directly, because they are both great rogues. Whoever takes up the said negro, and secures him in any goal, so that I get him again, shall receive the above reward, including what the law allows, and reasonable charges if brought home.
