

Will be published in the City of Washington, on the first day of the next session of Congress, a daily paper, under the title of
The Washington Advertiser.

CONDITIONS:

- I. IT will be published daily during the session of congress; and during the recess, every Tuesday, Thursday and Saturday. The most judicious arrangements will be made to forward it to subscribers with the utmost regularity and dispatch.
- II. It will be printed on a half sheet of super-royal paper of good quality, with an elegant new type.
- III. No industry and application of talents will be spared in the editorial and mechanical departments, to render it interesting to the judgment and agreeable to the eye.
- IV. The price will be *five dollars* per annum, to be paid *punctually* on the first day of June annually; and as the editors pledge themselves to comply rigorously with the three preceding articles, they will exact as strict a compliance with the fourth.

The critical situation in which our country is placed, and the difficulty of steering the barque in which every thing dear to Americans is freighted, between the "Scylla and Charybdis" which threaten it, must at this time peculiarly engage the attention of our countrymen. Newspapers are necessarily sought for, if not as the most *correct*, at least as the most *early* source of information; and the Washington Advertiser, from being a diligent vehicle of the proceedings of congress and such official publications as government may deem it proper to make, and from having an active correspondent and proprietor in a seaport where foreign vessels are daily arriving, holds out advantages to the public, equal at least, to any other paper on the continent. On this ground, it looks up to a liberal community for support.

BROWN & SNOWDEN,

Subscriptions will be received by the printers hereof.

**DR. HAMILTON'S
 GRAND RESTORATIVE,**

DR. HAMILTON'S

Genuine Essence and Extract of Mustard.

FOR the cure of rheumatism, gout, rheumatic gout, palsy, lumbago, numbness, white-swelling, chilblains, sprains, bruises, acute and chronic rheumatism.

Many persons have been much disappointed by purchasing medicines under the name of Essence of Mustard, which are perfectly different from this remedy—the superior qualities of which Dr. Hamilton begs leave to prove by the following cures, selected from a numerous list.

From Mr. Charles Willet, Plasterer, Pratt-street, Baltimore.

Sir,

I SEND you the particulars of my cure by Hamilton's Essence and Extract of Mustard, that you may make it known for the benefit of others. About two months ago I strained my right knee so violently by a fall, that I was unable to walk without a crutch, I tried British oil, oppodeldoc and other medicines, but grew considerably worse, and the part became inflamed and swelled to a considerable degree, when I was recommended to the Essence of Mustard, and by using two bottles I was able to walk in less than a week, and am now as hearty as ever.

Dec. 30, 1799.

CHARLES WILLET.

Mr. Henry Reese, Butcher, Proprietor of No. 24, Centre market-house, Baltimore.

Sir,

ABOUT two months ago, your valuable medicine proved of singular service to me, I was not able to move from my room for upwards of a fortnight, with the rheumatism or rheumatic gout in my left foot and ankle, when Dr. Buchanan recommended the Essence of Mustard, as the only medicine to be depended on, and directed me where to procure it, and by using less than a quarter of a bottle and a few of the pills, I was able to ride to market next day, and have been perfectly free from my complaint ever since.

Jan. 4, 1800.

HENRY REESE.

Mrs. Mary McCree, wife of Mr. George McCree, grocer, Bond-street, Fell's Point, was perfectly cured (by persevering in the use of Hamilton's Essence and Extract of Mustard) of a rheumatic complaint of eleven years standing. The greatest part of last winter she was unable to dress or undress without assistance, she had the best medical advice both in Europe and America without effect.
