

be had to file an information, in nature of *quo warranto* against Mr. Dallas, for exercising the office of recorder of the city of Philadelphia. The consideration of this motion was postponed till Friday next.

WASHINGTON, September 16.  
Joseph Habersham, Esq; it is said, has resigned his office of postmaster-general.

September 17.  
We understand that Mr Livingston, our minister to the French republic, has received instructions to sail for France immediately. On the 6th inst the Bolton frigate, in which he takes passage, left Bolton for New York, from which place he will sail.

BALTIMORE, September 17.  
Before the revolution there were in Paris 34 printers; their present number amounts to 385.  
On the 31 August, after an astonishing passage of five days from Oporto, laden with wine, arrived at Dublin the American brig the Enterprize, J. Wilcocks, master. When this vessel sailed peace with Spain and France had been proclaimed, but no terms mentioned, except that during the war all the ports of Portugal are to be shut against British vessels. On her passage she was brought to twice by French privateers off Corunna. [Dublin paper]

From the HUDSON GAZETTE, September 1.  
Patent subsat or threshing machine.

I have now brought the above machine to the highest degree of perfection. Spectators have held their watches, and beheld four sheaves completely threshed in one minute, by the assistance of one boy to unbind the sheaves and hand them to a man, or boy, who spreads them in the hopper (which is about three feet and a half long); this being done, the sheaf in 15 seconds goes through completely threshed, a third boy stands behind the mill to pitch away the straw. It assuredly threshes at the rate of 2800 sheaves in 12 hours.  
With what delight will the venerable farmer gaze on his children, who are diverting themselves by extracting his grain of all kinds from the straw and chaff, at the rate of one hundred and fifty bushels per day, which is a laborious task for twenty-one men. The machine is simple and therefore very durable. The size is only four feet by five, and eight feet high.

CHRISTOPHER HOXIE.  
September 18.

Captain Pierce, who arrived at this port last evening, informs us, that the British have taken possession of Madeira. It surrendered on the first of July to a force consisting of one 44 gun ship, one of 36, eleven transports, and 1500 troops. [N. Y. paper]

Extra of a letter dated Dublin, 26th July, to a mercantile house in Philadelphia, brought by the Susanna.  
"Every article of American and West-India produce, except corn, is falling at a very considerable loss."

When the Susanna sailed from Dublin, flour was at 65s currency per bbl. and corn meal at 30s.

The legislative council of Upper Canada have rejected the bill, which had passed the house of assembly, giving to the "affirmation of friends the same force as an oath."

A London article of the 27th July, mentions, that the Dutch seamen belonging to the fleet under admiral De Winter, had refused to act in concert with the French.

The total population of the United States, as taken in 1790, amounted to 3,929,326

The present census amounts to 5,664,801  
In this statement Tennessee is wanting, the numbers of which state, with the deficient in New-York and Maryland, may be estimated at 150,000

Increased in ten years about 5,214,801  
This increase is at the rate of about one third in ten years, which will double any given number in about 24 years.

In 1790 the slaves in the United States amounted to 697,697  
In this census they are, exclusive of Tennessee and the other deficient districts, 869,768

Absolute increase 172,071

19th 9th mo. 1801. ELISHA HOPKINS.

By virtue of two writs of *conditional exponas*, issued from the honourable judges of the general court for the western shore of Maryland, and to me directed, I shall OFFER at PUBLIC SALE, on Friday 9th of October next, on the premises,

PART of a tract of land supposed to contain two hundred and fifty acres, called the DENN, including the dwelling and out houses; taken as the property of captain Charles Williamson, and sold to satisfy a judgment due Henry Townsend and Benjamin Stoddart, Esquires, surviving executors of the rev. Alexander Williamson. Also part of a tract of land called the DEN and KITTLE, supposed to contain two hundred and fifty acres; taken as the property of capt. Charles Williamson, and sold to satisfy a judgment due Joseph Wilkinson, Esq; trustee for the creditors of Lock Chew. The above lands adjoin each other, and are as pleasantly situated as any in the county, very convenient to places of religious worship, surrounded by mills, and within two miles of a rising seminary for the education of youth. The land is well adapted to the growth of Indian corn, wheat, rye and tobacco, and is well enclosed, a sufficient quantity of timber and fire wood, a great proportion of fine meadow land, and a mill seat perhaps equal to any in the county; it has also a young flourishing orchard of 400 trees, just beginning to bear; added to all these advantages are the buildings which must (at a low estimation) have cost fifteen hundred pounds, they consist of a large and convenient dwelling house, elegantly finished, a new yard and garden, kitchen, study, milk, meat, corn, carriage, tobacco and cow houses, a school-house, and several negro quarters, all in good repair. I am authorized to say that capt. Charles Williamson will shew the above property to any person inclined to view it previous to the day of sale. The sale to commence at 12 o'clock, for READY MONEY.

NATHAN SMITH, Sheriff of Calvert county.

NOTICE is hereby given, that I mean to apply to the next legislature for an act of insolvency. My reasons for taking this step are, that I am imprisoned by James Barry, as security for a debt which has been repeatedly offered to be secured to him, by property, but which property he has refused accepting, and as property of mine was carried out of the State by James Peirce, who owed the debt, to three times the amount, to secure which no steps have been taken by Mr Barry, and from being so situated I have been out of my power to pursue it. I am therefore under the necessity of applying for relief to the legislature.
