

ates, that the idea of an invasion by the French appears to be given up—A few days prior to her sailing, great quantities of military stores were shipped on board transports, and it was said, in consequence of the French troops retiring from the frontiers, they were again reloaded.

**BLOCKADE OF TRIPOLI.**  
The American consul resident here has been directed by Mr. Cathcart, the consul of the United States at Tripoli, to give all publicity to the following—

“Consul of the United States of America, at Tunis, July 25th.

“The bey of Tripoli having declared war against the United States, our government has sent a flotilla to prevent the regency from injuring our commerce. In consequence we are to inform the agents of all powers at peace with us, that Tripoli is now blockaded by the said American flotilla, and that every ship whatever, which shall attempt to enter the port, will be treated conformably to the laws of nations, applicable to such cases.

(Signed)  
“W. CATAN, Consul at Tunis.”

The preparations along the Dutch and French coasts still continue; and their ostensible object is, defence against any attack from our fleet. No less than 100,000 men are said to be collected betwixt Dunkirk and Brest, but we believe this number is exaggerated.

The French papers are full of accounts respecting the complete defeat of the Anglo-Turkish army! &c. General Hutchinson's letter will soon put an end to the manufacture of French victories in the east.

Advices have been received in town of a later date than the dispatches from general Hutchinson. They state that the convention of Cairo had already been begun to be carried into execution, and that the two English and French armies were returning towards Rosetta, marching in parallel lines. Of Menou's determination in consequence of the convention of Cairo, these advices make no mention.

**August 25.**  
Yesterday a report by no means favourable to peace was in circulation. It was said that our minister had sent an ultimatum. These rumours, however unlikely, occasioned a fall of half per cent. in the public funds.

**NOTICE**

IS hereby given to all whom it may concern, that I intend to petition the next general assembly for a divorce from my wife Elizabeth Leuder Gausline; for the reasons therein to be mentioned.  
October 4, 1801. J. B. GAULINE.

NOTICE is hereby given, that I mean to apply to the next legislature for an act of insolvency. My reasons for taking this step are, that I am imprisoned by James Barry, as security for a debt which has been repeatedly offered to be secured to him, by property, but which property he has refused accepting, and as property of mine was carried out of the State by James Peirce, who owed the debt, to three times the amount; to secure which no steps have been taken by Mr. Barry, and from being so situated it has been out of my power to pursue it. I am therefore under the necessity of applying for relief to the legislature.  
J. RAY.
