"The bakers of this city having generally refused to furnish bread agreeably to the assize lately established by law, a number of citizens conceiving it expedient to form an association for the purpose of guarding against the inconvenience resulting therefrom, assembled at the Tontine coffee-house, John B. Church being appointed chairman, the following resolutions were entered into:

PHILADELPHIA, November 2.

Extract of a letter from New-Orleans, dated on board the Thomas Wilson, Sept. 11.

"A disorder is at present raging in this place, resembling the yellow fever. Americans and newcomers, are the general victims to it. I have at present all my hands sick on shore, the greater part of whom, I fear, will not recover."

NORFOLK, October 31.

Extract of a letter from a gentleman in Port-Republican, to his friend in this borough, dated 27th September.

"The instability of the government is an objection to doing business in this island—new constitutions and arrests are frequent. This day it is proclaimed that there shall be no more decades, and that the old order of the calendar shall be restored. I mention this as an evidence of the versatility of the administration; none or very few of the officers are paid by the government, and are open to bribery; in this way only, if you have business to transact, can you rely on its completion with facility. Touffant's death, which his ill health induces a belief will shortly happen, will inevitably throw the whole island into commotion, as there are several candidates, whose pretensions will be supported by the sword."

By the schooner Parke Farley, arrived yesterday from Antigua, we learn, that they are in hourly expectation of 5000 troops from England, for the avowed purpose of attacking the island of Guadeloupe.

WASHINGTON, November 2.

The secretary of the navy has dismissed certain agents of his department, that have resided at the ports of Norfolk, Philadelphia, New-York and Portsmouth, and he has abolished the offices that have been held by them. There will thence be a saving of 9000 dollars per year. [National Intelligencer.]

OFFICIAL.

APPOINTMENT BY THE PRESIDENT.

Gideon Grainger, postmaster-general, in the place of Joseph Haberham, resigned.

Extract of a letter from captain Barron, commander of the United States ship Philadelphia, dated off Gibraltar, August 21, 1801.

"I received a few days past a letter from a number of American masters, who had been captured and carried into the Spanish port of Algeiras, under pretence of entering a blockaded port, in which state they have declared Gibraltar, although they have only a few gun boats, which occasionally attack the vessels in the bay, and capture defenceless neutrals. On receipt of their letter, I sent a boat on shore, with a letter to the commander of the vessels (who resides on shore) representing that the Americans knew not of the blockade of Gibraltar, consequently could not be subject to seizure; and that their object, generally in going to that port, was to gain information (or convoy) to protect them against the Tripolines.

"I also directed the officer charged with this business, to make inquiry respecting the conveniency of watering and obtaining refreshments; procuring those articles at Barbary is inconvenient, and attended with danger. The letter was replied to by the judge of the admiralty, (a translation I have not yet been able to complete, consequently cannot enclose it) but the substance is, that the causes now depending should be attended to impartially, and that no vessels had been condemned that had not on board goods consigned to Gibraltar. He would lay before the king my letter respecting the purpose for which the Americans were generally going to Gibraltar."

Copy of a letter addressed to a gentleman in this city.

Bank of Columbia, 5th Nov. 1801.

I AM instructed by the President and Directors to inform you, that in consequence of the malicious reports lately circulated and published in handbills, and in some of the news-papers, tending to injure the credit of this Bank, they determined to have a full investigation of all its transactions made by a few intelligent stockholders, of well known established character, residents of different parts of the country, and not particularly connected with them, in order that such report thereof might be made as they should deem necessary for the satisfaction of all concerned.

For this purpose the President and Directors requested the attendance of the five following gentlemen: JOHN STEELE, Esq; comptroller of the treasury of the United States, GEORGE MURDOCH, Esq; of Frederick-town, WILLIAM LORMAN, Esq; of Baltimore, WILLIAM DRUMMOND, Esq; of Frederickburg, and DAVID STEUART, Esq; of Dodon, near Annapolis; who met here accordingly, on the morning of the 3d instant. By desire of the board I now hand you annexed a copy of their report containing the result of the examination.

I am, very respectfully,

Your obedient servant,

WILLM. WHANN, Cashr.

THE subscribers, stockholders in the Bank of Columbia, having attended at the request of the President and Directors thereof, and having taken time to examine minutely into its affairs (which were fully exposed to our view) do without hesitation declare to all concerned, that the examination has perfectly confirmed our confidence, and that the specie funds compared with the amount of notes in circulation and all claims of every nature on the bank completely prove the safety and stability of the institution.

JOHN STEELE,

GEORGE MURDOCH,

WILLIAM LORMAN,

WILLIAM DRUMMOND,

DAVID STEUART.

THE object of the complainant's bill being to procure a decree against the defendants for the conveyance of part of a tract of land called HAWKIN'S ADDITION, situate and lying in Anne-Arundel county; it is in the bill stated, that in the month of August, 1792, he purchased of Richard Norris, deceased, the aforesaid parcel of land, containing twenty acres, and that he paid the purchase money for the same; that the said Richard Norris hath departed this life intestate, leaving the aforesaid defendants his heirs at law; that the said Benjamin would have been his heir at law, had it not been for the operation of the act to regulate descents; that the said defendants are all minors, and four of them, to wit: John, Martin, Richard and Anne, live in the state of Delaware; the said Benjamin having appeared to and answered the said bill of complaint, and admitted the facts therein contained; it is ordered, that the complainant cause a copy of this order to be inserted in the Maryland Gazette three weeks successively, before the 4th day of December next, to the end that the said absent defendants, or any of them, may have notice to appear in this court, on or before the third day of April next; in person, or by his solicitor, to shew cause, if any, they have, why a decree should not pass agreeably to the prayer of the complainant.
